From the Superintendent.....

I would like to take a moment and welcome everybody back for the 2017-18 school year. We want to extend a warm welcome to all our new students and families and let you know that we are very pleased to have you with us. We think that you will enjoy being here and that you will have a great school year. It is my hope that everyone had an enjoyable summer. It seems to go by so quickly! This upcoming year, like all others, promises to be both exciting and challenging.

As is always the case, we have been very busy around the buildings this summer. The custodial and maintenance departments have worked diligently to get the building ready for the school year. All areas have had an extensive cleaning, the floors have been waxed, and new paint has been added. In addition, we have added a new Vo-Ag classroom in the shop area which will allow us to serve more students in grades 7-12.

I would like to welcome all of our new staff members. We are sure each of you will be a great addition to the staff and help us to continue our tradition of excellence. A listing of all new personnel appears later in this edition of the Focus on Fairfield.

As Stephen Covey tells us, you must begin with the end in mind. With that said we have set several goals for the upcoming school year. We want to continue to improve student achievement and increase overall passage rates on state-mandated testing. We want to continue to utilize tax-payer monies as efficiently as possible and make financial decisions in the best interest of our students. Lastly, we want to increase the opportunities for students to earn college level credit through dual enrollment, access to on-site distance learning and course offerings, and off-site opportunities as well. These goals are reflected in our Strategic Vision which was developed last year and has been implemented through the school year and will be improved upon this year. We have achieved many of the goals and look forward to identifying and achieving even more this school year. Thank you to all of the folks that helped us to get this accomplished.

Directions for student drop-off/pick-up and buses will be sent out soon. There will be some changes that will affect elementary/middle students. The Elementary Office is being relocated to the new wing and the old office will become a new Middle School Office. Elementary buses will continue to use the circle as in past years.

This year as in the past we will be utilizing Waiver Days for teacher professional development. Our master calendar will reflect these days. The waiver days allow for teachers to continue to get required and necessary training and in-service so they can best meet the needs of our learners.

Please be sure to check the bus routes and schedules in this addition of Focus on Fairfield. Several routes have changed for this school year

As always we look forward to working with your student and hope that their school year will be a great success in many ways. Again, welcome back and feel free to call or stop in the office any time you have a question or concern.

A Letter From the Board of Education

Welcome to school year 2017-2018!

Wow, I can not believe another year has come and gone. 2016-2017 was an amazing year for Fairfield Schools. I believe we pretty much won every competition we came across. Our cross country and track teams went to state. Our softball, baseball, basketball, golf, and soccer teams are always teams to be dealt with. The league knows that now - after last year's sectionals, districts, and regionals - ***We Ruled!***

On the other hand our hard work from our amazing teachers continues to pay off in academics. We as the board can never say enough about our teachers and we appreciate everything they do for our students. Last year we started new programs in our Ag classes with an additional teacher. It gives me a great deal of pride that the State FFA President is a recent graduate of Fairfield. We are always proud of our students' activities outside of school.

This coming year we look forward to many more accomplishments. As we welcome new teachers and staff, we will continue to grow and work towards accomplishing our goals. The school administrators are ready and waiting to get started with excitement of a new alignment in the administrative staff.

So thank you to all that makes our school go. We are on to another fantastic year.

Lion Pride!!

Dr. Rindy Matthews, Fairfield Local School Board President

PAYING FOR SCHOOL MEALS

Fairfield Local offers simple payment options for you to choose from.

1. Pay Online: Make an online payment with **MY SCHOOL BUCKS**. Use your computer or smartphone to make payments, view your child's account balance or see what they're eating! Visit www.myschoolbucks.com to register.
2. Pay by Mail: Send a check to the school payable to "Fairfield Local Food Service". Please include your child's name and ID number. (11611 St. Rt. 771 Leesburg, Ohio 45135)
3. Pay in Person/Send Payment to School: Stop by the school office during school hours to pay by cash or check. Or send cash or check to school with your child. Please place in envelope with child's name and ID number on the outside.

We encourage parents to create a "safety net" for their child. Pre-paying for your child's meals prevents unpaid meal charges. Paying for meals ahead of time also helps lines move more quickly, giving children more time to enjoy their lunch break.

If your child's account falls below \$0, you will be notified with an automated call. If the account goes to -\$5.00, the student will receive an alternate meal (cheese sandwich or PBJ, fruit, veggie and milk). The student will receive alternate meals until the account is in good standing.

No a-la-carte or extra items can be charged.

The **Family Educational Rights and Privacy Act** (FERPA) and Ohio law generally prohibit the disclosure of personally identifiable information from students' education records without prior consent. An exception exists in both federal and Ohio law to allow publishing directory information in places such as the yearbook, honor roll, graduation program or sports rosters. "Directory Information" is information generally not considered harmful or an invasion of privacy if released. The following can be designated as directory information: student's name, address, telephone number, email address, date and place of birth, dates of attendance, grade level, sports participation, degrees, honors, awards and weight/height of members of athletic team participants.

If you do not want Fairfield Local School District to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing by September 1st.

The **Family Educational Rights and Privacy Act** affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

- The right to inspect and review the student's education records within 45 days after the day the Fairfield Local School District ("School") receives a request for access.
- The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
- The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Child Find Policy The Fairfield Local School District's adopted Child Find Policy requires that all children below twenty-two (22) years of age residing within the district, who have a disability regardless of the severity of the disability, and who are in need of special education and related services are identified, located, and evaluated in accordance with all federal regulations and state standards.

For children birth through age two, a disability means that a child has a behavior, cognition, communication, physical development, sensory development and/or social or emotional development deficit.

For children age three through five years of age, a disability means that a child has a documented deficit in one or more of the following areas: communication skills, hearing abilities, motor functioning, social emotional/behavior functioning or vision abilities.

For school-age children, a disability means a person having one or more conditions such as autism, developmental handicap, hearing handicap, multi-handicap, orthopedically and/or other health handicaps, emotional/behavior handicap, specific learning disability, traumatic brain injury or vision handicap.

If you are aware of a child who you think may have a disability, contact the Director of Special Programs at 937-780-2977.

Elementary Parent Notification

As a recipient of Federal Title 1 funding, Fairfield Elementary is required to notify parents of elementary students of their right to know about the professional qualifications of our elementary teachers. You have the right to know:

- If the teacher has met state qualifications and licensing criteria for the grade level and subject areas being taught.
- If the teacher is teaching under a temporary or emergency status in which state qualifications or licensing are waived.
- The teacher's baccalaureate degree major, graduate licensure, and field of discipline
- Whether the student is provided services by paraprofessionals, and, if so, their qualifications.

Any parent wanting information should contact Katie Streber, Elementary Principal at 937-780-2988.

SAFETY, SECURITY & COMMUNICATION

SCHOOLMESSENGER

The Fairfield Local School District is excited to announce that we have changed our messaging system from *One Call Now* to *SchoolMessenger*. *SchoolMessenger* is an automated notification service that will give us more flexibility and options than our previous system. We will be using this system for closings, delays, athletic events, school activities, absences and lunchroom account notifications.

For *SchoolMessenger* to operate effectively, we need accurate contact information for our students. This includes any/all phone numbers that should be called. Some messages can also be sent to an email address or as a text message (not all messages have this option).

If at any time your phone numbers change, you will need to notify the school immediately so you will continue to receive the *SchoolMessenger* notification calls.

The *SchoolMessenger* system is a secure, password-protected service and is accessible only by school administration. All information is kept confidential and used only by Fairfield Local School District.

SCHOOL PARKING LOT SAFETY

Here are a few safety tips that drivers should observe in the school parking lots:

- Obey the speed limit and traffic rules
- Obey the school's drop-off and pick up rules
- Be courteous to other drivers
- Look both ways in the parking lot
- Do not run/play in the parking lot
- Respect school staff who enforce traffic rules
- All student drivers must have Parking Pass

The Emergency Management Team, in conjunction with local medical and law enforcement personnel, continues to meet several times a year discussing the safety and well-being of our students, staff, visitors and the community. Safety and security procedures are reviewed and changes are discussed and implemented if warranted.

In addition to the routine fire and tornado drills, Fairfield students will be participating in Lockdown and Evacuation drills during the school year. These drills are unannounced and are intended to simulate a real emergency situation. Local law enforcement and other emergency personnel may take part in these drills. At the completion of a lockdown/evacuation drill, a message will be sent to all families indicating that a drill has taken place.

Fairfield Local Schools strives to provide efficient, effective and timely information to our students, parents and community members. A variety of sources are used to communicate, including newsletters, notes home with the students, radio, phone calls, Facebook, email, TV, website, Twitter and our new calling system, *School Messenger*.

Our custodians and maintenance staff have been very busy this summer. A few major projects included laying carpet in the District Offices, constructing an additional vo-ag classroom, painting the existing vo-ag classroom, stripping and waxing floors, cleaning carpets, and painting walls.

Please do your part in keeping our buildings and grounds clean and in good working order. Pick up trash, even if it's not yours. Keep lockers clean so the doors close properly. Don't throw food in the cafeteria. Report any thing that needs attention to a staff member.

Take a minute and thank the custodial and maintenance staff for their hard work.
