

**Memorandum of Understanding
Between
the Mead School District and
the Mead Education Association**

This Memorandum of Understanding sets forth the following understanding between the Mead Education Association and Mead School District #354. This agreement shall not be considered precedent setting by either party.

In the 2021/2022 school year Staci Cornwell was employed in a MEA position as a SEL Curriculum Coordinator. State certification requirements are such that Ms. Cornwell is unable to obtain an ESA certification. Being a certificated employee is a requirement for being a member in the MEA.

Therefore, beginning in the 2022/2023 school year, Staci Cornwell has transitioned to working for the Mead School Districts as a Mental Health Coordinator (non-certificated position).

The district and association agree the new Mental Health Coordinator position will be a classified, SUCO position with the understanding that once Ms. Cornwell is no longer employed by the district the position will revert back to being a MEA position.
