Notes:

The Fairlead Academy was eliminated for the 2024-2025 school year. All relocatable capacity from the former Fairlead Academy has been transferred to Leonardtown High School. The relocatable capacity is shown in two lines indicating capacity and program. Program capacity is not included in the total local rated capacity with relocatables column.

The relocatables at the Virtual Academy are considered program capacity and the capacity is not included in the total local rated capacity with relocatables column. These units are currently being utilized for storage of materials from the Elms Environmental Education Center.
