From the Superintendent - Mr. Tim Dettwiller

Hi folks,

The 2018-2019 school year was my first as your school Superintendent. And what a year it was. I was fortunate to witness many firsts for Fairfield. We had our first ever state champion in Brandtson Duffie and our first outright Del Yockey all sports award for our athletic program.

Academically, the Board of Education approved our first curriculum adoption in over 15 years. With this adoption we now have a current and relevant English Language Arts K-12 curriculum. We also have our first Curriculum adoption cycle in place to insure that all subject areas will be addressed over the next 4 years. The Board of Education approved the purchase of over 300 Chromebooks which brings our tech tools fleet to the highest number we have ever had.

A critical piece to improving our educational program is the implementation of our "Path to Excellence" plan. This plan calls for Teacher Based Teams (TBT) in all subject areas to meet on a regular basis to analyze student data with the expressed purpose of modifying instruction to meet the needs of the individual student. Another key component to this plan is for each building to have a Building Level Team (BLT) that monitors the work being completed by the teacher teams. This monitoring insures that all teams are functioning properly and are addressing student needs. These teams will have time to complete their work now as we added more early release dates to the school calendar.

You may notice the campus and facilities have undergone many changes over the summer. First and foremost the leaks in our buildings are now gone as our roof project was completed. This \$500,000 project was a large investment that insured the long-term integrity of our buildings. We also had the HS and MS entry ways and drop off areas repaved. Yellow striping was added to these curbs to remind folks that these are not parking areas but are simply for dropping off students and guests. We also installed a paved walking path connecting the stadium parking lot with the ball fields. These projects would not be possible without the financial support of our community. It is easy sometimes to forget who pays for these projects that's why I say on behalf of the school THANK YOU for your support!

A new security feature installed over the summer is Threat Extinguisher. This product is a non-lethal pepper spray that all staff and eventually students will be trained to use. In the event of an intruder the canister is removed from its station by an employee or a student. Upon the canisters removal first responders are contacted alerting them to the threat. The user simply aims the canister (size of a spray can) at the intruder and pulls the spray trigger. Threat Extinguisher sprays up to 20 feet and is a very accurate gel. The safety of our students and staff is our number one priority.

We are in the process of revising our strategic plan and are looking for community members who are interested in serving on this crucial committee. Strategic planning allows for the community and school to jointly determine what knowledge and traits a student from Fairfield Local Schools will possess upon graduation. We will meet monthly beginning in August and will continue through October. If you are interested please email me at tim.dettwiller@fairfieldlocal.org.

I want to thank our community and Board of Education for supporting me in my first year as your Superintendent and I am truly excited to see how far we can go on our "Path to Excellence"!

Tim

DISTRICT/BOARD

From the Treasurer - Mr. Mike Morrow

The Treasurer's Office is excited for the start of the 2019-2020 school year. Along with the rest of the staff, we have been working hard this summer to be ready for the students' return.

As for 2018-2019, we were once again able to spend taxpayer's dollars efficiently while putting student's needs first. Our operating costs were lower than our operating revenue for the 12th year in a row! Also, the district took advantage of numerous grants and cost saving initiatives. I encourage anyone to reach out to me or stop by with any questions.

Mike Morrow
Treasurer

COMMUNICATION

Fairfield Schools use a variety of sources to communicate, including School Messenger, Facebook, Twitter, newsletters, notes home with students, radio, phone calls, email, TV and the district Website. If any of your contact information changes, please be sure to update the secretaries.

From the School Board President - Dr. Rindy Matthews

WOW! What an amazing 2019 school year!

On behalf of the Fairfield Local school board I welcome you to the 2019-2020 school year. I am excited to share that once again Fairfield schools had a remarkable 2019 and we have plans to build on that success.

The state of Ohio reported that Fairfield Local received an overall grade of a "B" on the report card for the 2017-2018 school year. While we have not received the report card for last school year, early indicators are that we once again had an outstanding academic year. This comes as no surprise as our staff is dedicated to the educational and physical well-being of every student. Our teachers and administrative team are working hard to improve instruction and we are excited to see where our new "Path to Excellence" plan takes our students.

We are sad to see Laura Purtell retire as she was an icon in our music department but in turn we are excited to see all the new teachers and the impact they will have on our students. Our administrative team is in place and we as a board approved the re-alignment of our K-8 buildings to a K-5 elementary and a 6-8 middle school. These additions and changes are part of our mission to provide the best educational opportunities to the children of our community.

The Board of Education approved a Capital Improvement plan that lays out over the next 5 years our capital projects. As a board we also approved a bus purchasing plan and authorized the largest purchase of technology tools for our students in over 15 years. The Board recently approved a new "Branding Guide" which will provide to our parents, community and vendors our approved school colors and logos to be used for spirit wear. I am proud of these Board actions and am happy to report the Board is excited with our administrative team, our staff and most of all with the amazing children you share with us every day.

The 2019-2020 school year looks to be the best yet so whether you have children or grandchildren in the district or simply live in the community come on over for a game, a play, a musical or any event. We would love to see you here!

Thanks to all of you who make our school work. We now move forward to another fantastic school year!

With Lion Pride,

Dr. Rindy Matthews, Board President

James Craycraft, Vice President

Clint Shoemaker ----- Transportation Coordinator

Wyatt Sowders ----- Maintenance Coordinator

Tony Williams ----- Athletic Director

John Wisecup ----- Custodial Coordinator

Elementary

I hope that everyone has had a relaxing and enjoyable summer break! As the new school year approaches quickly, we are eager to welcome our students and families back to Fairfield Local Elementary. Each new school year brings many exciting and positive changes. For 2019-2020, our building's biggest changes lie within our grade level realignment, curriculum, and staffing.

Grade Level Realignment - Starting this school year, the elementary will be a Kindergarten through 5th grade building. We are excited to welcome the 5th grade teaching team Amber Corcoran (Science and Social Studies), Kendra McVay (Language Arts), and Melanie Potts (Math). With this change, 5th grade students will continue to follow the elementary schedule, bus routes, and routines/procedures. This move allows our district to effectively align curriculum as well as offer students an additional year of resources that will provide them with a knowledge that serves as a strong foundation for their middle and high school years. Please feel free to contact our elementary office at 780-2988 with any questions.

Curriculum - Last school year, our district's curriculum team worked hard reviewing a number of Language Arts curriculum options. At the conclusion of the review process, the elementary made the decision to adopt EL Education Curriculum. We are excited to apply and extend the knowledge we have gained during the Ohio Literacy Pilot through the full implementation of the new curriculum. Please look for information to come home with your students about grade level curriculum nights. These curriculum nights will provide families with the needed information about the change in curriculum as well as how you can help your students at home.

Staffing - The 2019-2020 school year brings a few new additions and transitions to our elementary staff. We are excited to welcome new employees: James Knisley (Music), Amanda Matthews (Speech Pathologist), Ashton Mischal (Paraprofessional), Emily Moore (Kindergarten), and Jennie Pierson (Intervention Specialist). In addition to new employees, we would like to wish the best to the current employees that will be transitioning to new positions. These employees include: Denise Mootz (Assistant Principal), Melanie Potts (5th Grade Math), Kayla Roy (Reading Specialist), and Kristy Watson (Reading Specialist).

In addition to the above changes, Fairfield Elementary has a number of goals and initiatives that we will be working on as we strive towards excellence. Please look for further information throughout the year.

As always, we encourage you to contact us if/when the need arises. Looking forward to an AWESOME school year as we work together and celebrate the learning and growth of our students!

Katie Streber, Elementary Principal

Middle School

Welcome to the 2019-2020 school year at Fairfield Middle School! Throughout the summer,

the staff at FMS has been prepping for another engaging academic year for our students. We have been busy studying new curriculum, transitioning classrooms, and welcoming a new staff member.

FMS would like to welcome Ms. Ashley Carruthers to our team. Ms. Carruthers will be an Intervention Specialist working with students in 6th-8th grade specifically in English Language Arts. Along with welcoming Ms. Carruthers, several FMS staff members have changed teaching assignments. Mrs. Melinda Martin will be teaching 7th grade Math, Mrs. Sherri Hooper has moved to the 7th grade ELA teaching position, and Mr. Tony Williams will provide Math Intervention services. Please be aware that with the changes in teaching assignments, classroom assignments have changed as well!

During the 2019/20 school year, the Middle School staff will be working diligently on the implementation of Building Leadership Teams (vertical and horizontal alignment of Content Standards) and strengthening of Teacher-based Teams. Additionally, we will be introducing two new after school clubs: Robotics Club and Drama Club! Keep an eye out for more information to be sent home with the students!

The FMS staff looks forward to welcoming the students, parents, and other community members at our Open House!

Deanne Miller, FMS Principal

 Joshua Stackhouse ----- 6th Gr Math Teacher
 Kristina Stuckey ----- Intervention Specialist
 Travis Vance ----- 7th/8th Gr Business Teacher
 Tony Williams ----- Math Intervention Teacher

High School Hope you are having a great summer! Reflecting back on the 2018-2019 school year brings numerous fond memories and great accomplishments. Early reports on state testing indicates that the high school was able to achieve at or near the top in all subjects tested by the state in our area that includes twelve high schools in and around our region. The teachers did a remarkable job preparing students for these tests as well as the addition of a math tutor that was utilized several months prior to testing. Fairfield High School and parents can be proud of the great effort that was put forth by our student body the entire year in each of their classes to prepare students for these tests.

We have created Teacher Based Teams (TBT's) for the school year that will meet on a regular basis to review data that has been collected through the use of assessments to determine those areas of instruction that need to be revisited by the students to enable students to have a full understanding of the subject matter. The teachers will be exchanging ideas concerning the best practices in the classroom to enable students to achieve at a high level and be successful. The TBT Teams will report to the Building Level Team (BLT) to allow for guidance and direction in the overall education of our students.

The upcoming school year we will again utilize a permanent Math tutor as well as an English tutor to allow our students that need additional instruction in each area the opportunity to grow in these areas. We will also be expanding our course selections by including numerous online courses that students will be able to access at school and receive credit for graduation. We will also be having a one-day workshop to prepare our juniors for the ACT Test that will take place in the spring. We also include ACT Prep days during the course of the school year to help prepare our students for this test.

We would be hard pressed to find a year where we had as much student growth as we did this past year. Our students conducted themselves as mature young adults on a daily basis. The number of disciplinary incidents were very low as our students grew each and every day. We look forward to that same type of respect and cooperation in the upcoming school year. This is a result of the fine parenting and excellent community input that all of our students are receiving each and every day.

What a great year in sports for the Lions. From league championships to a STATE CHAMPION the Lions excelled in each and every sport last year. Once again, it is that great drive and determination that our students have to be the best and are willing to put forth efforts that are needed to become a champion.

Expectations are high both in the classroom and on the athletic fields as well as band, academic team, and all extra-curricular activities offered at Fairfield. We will continue to have high expectations for our students and maintain a positive atmosphere to allow our students the best opportunities to grow as students, athletes, and well- rounded young men and women.

We are looking forward to the 2019-2020 school year to continue working with our students to prepare them for life after high school. We are also looking forward to working as partners with the parents to provide the best education we can offer to our student body. Hope you have had a great summer and look forward to seeing everyone soon! Go Lions!

Steve Hackett, HS Principal

EMERGENCY DRILLS

In addition to the routine fire and tornado drills, Fairfield students will be participating in Lockdown and Evacuation drills during the school year. These drills are unannounced and are intended to simulate a real emergency situation. Local law enforcement and other emergency personnel may take part in these drills. At the completion of a lockdown/evacuation drill, a message will be sent to all families indicating that a drill has taken place.

School Day Hours

Effective with the
2019-2020 school year,
5th grade is now on the
Elementary Schedule

Middle/High School
6th-12th Grades
7:30am - 2:30pm

Elementary
K-5th Grades
8:30am - 3:30pm

Calamity Days

After 7 days missed, the
following dates will be
make-up days:

January 20
February 14
February 17
April 13
May 22

TRANSPORTATION

Coordinator/Technician
Clint Shoemaker

Bus Drivers

Bus #3 - Debbie Cockerill
Bus #5 - *Tracey Haynes
Bus #6 - Eric Hughes
Bus #10 - Steve Barrett
Bus #4 - Kim Long
Bus #16 - Jerri Hauke
Bus #17 - Aaron Engle
Bus #1 - Jenny Hunter / *Rick Mason
Van #23 - *Tim Case
* = new employee

Bus route times are an estimate. Students should be at bus stop 10 minutes before scheduled pick-up time.

Please be flexible the first 2 weeks of school as the bus drivers become familiar with their routes. Thank you!

Please remember that the speed limit is 20 mph when arriving and leaving the school.

Additionally, all school vehicles (buses and vans) must abide by the 20 mph speed limit at all times in all school zones.

Substitute Bus Drivers Wanted!!

Sub drivers fill in for full-time drivers when needed and transport students to extra curricular activities. Pay is \$13.52 per hour. For more information, or to apply, call 937-780-2221.

To help the bus drivers find your house easier, please make sure your house number is clearly visible on both sides of your mailbox.

ELEMENTARY AFTERNOON DISMISSAL

- ◆ Parents must call prior to 2pm with any changes to transportation, including parent
- ◆ pick-up (unless an emergency).
- ◆ Parents should park in the back parking lot and report to the sidewalk with a photo id.
- ◆ A staff member will radio inside for the student to be dismissed.
- ◆ No child will be allowed to enter the parking lot area unattended.
- ◆ Students being picked up early for appointments must be signed-out in the office.
- ◆ Students being picked-up prior to 3:25 will reflect on their attendance record.

ELEMENTARY BUS RIDERS

AFTERNOON DROP-OFF

Students in grades K-5 ***will not*** be dismissed from the bus at the end of the day unless a parent/guardian is present and visible from the bus.

Students without someone to receive them will remain on the bus and be returned to the elementary office for parent pick-up.

Check the website for the full August menu!

FREE OR REDUCED MEALS Fairfield Local Schools offers FREE or REDUCED-PRICED meals to children who are eligible. Each year, the income guidelines change for these benefits. Even if you did not qualify last year, you may qualify this year. It is recommended that ALL FAMILIES complete and return the Free/Reduced Meal Application that will be sent home with your child the first day of school. Participation is confidential. Families that qualify may also be eligible to receive free health care through Healthy Start & Healthy Families. For more information, call 1-800-324-8680.

BREAKFAST

Breakfast is offered to every student every day school is in session, except days where a 2-hour delay is observed. ***Students who qualify for Free or Reduced Meals also receive the same benefit for breakfast.***

PAYING FOR SCHOOL MEALS

- Pay Online - www.myschoolbucks.com
- Mail a check to the school payable to "Fairfield Local Food Service". Please include child's name and ID #.
- Send cash or check to school with your child. Please place in envelope with child's name and ID #.

Fairfield Local Schools follow the meal standards established by the USDA's "All Food Sold in Schools" and our Board Policy EFF – Food Sale Standards. This includes the requirements set forth by the Healthy, Hunger-Free Kids Act of 2010 and the "Smart Snacks in School" program.

*FACILITY UPDATE

Beginning with the 2019-2020 school year the High School main entrance will be used for student entrance and exit from the building as well as for all after school events. **During school hours the High School main entrance will be locked and all guests will be asked to enter through the recently renovated Middle School entrance.**

This is an added security measure as our Middle School entrance will now require guests to be buzzed in to the Special Services office and then released into the building by the secretary.

Thank you for your patience and for appreciating the security of our students and staff.

WHAT'S NEW FOR 2019-2020??

FAIRFIELD

- ♦ 5th grade is now part of our Elementary.
- ♦ The student activity fees for consumable materials and classroom supplies has been changed.
 - ♦ Grades Kindergarten through 8th will pay \$50.
 - ♦ Grades 9th through 12th will pay a flat \$60. There is no additional per-class fee.
- ♦ The Middle School office has been moved across the hall.
- ♦ The old Middle School office is now our Special Services Department.
- ♦ Threat Extinguishers are now located in all main offices.

FAIRFIELD

CONGRATULATIONS and BEST OF LUCK to Laura Purtell.
Laura retired at the end of the 2018-2019 school year after
teaching music for 23 years at Fairfield Local Schools.

Extra-Curriculars

Fairfield is proud to offer a variety of clubs, groups and sports teams to our students in grades 6-12. Students who are interested in getting involved in any of these activities should listen to announcements, check the offices for sign-ups forms or ask the secretary for more information.

CONGRATULATIONS to Brandtson Duffie!

Brandtson became the first Fairfield athlete to be state champion in any sport when he competed in the 2019 Division III State Track and Field Championships and won the 800-meter run. He also set a personal record time of 1:53:77.

Brandtson graduated in May 2019 and will be attending LeHigh University in Pennsylvania where he will continue to compete in both Track and Field and Cross Country.

Sports schedules are subject to change.
Check website for changes:
www.fairfieldlocal.org

FINAL FORMS

All Athletic forms (except the physical) will be completed on-line using the Final Forms website. To register, go to: <https://fairfieldleesburg-oh.finalforms.com> or visit the Athletic's Page on the school's website. The 2019-20 Sports Physical Forms can also be found on the website.
