Please follow these instructions when using the My School Bucks App to pay your student(s) fees.

#1 Sign In or Sign Up

If you are a new user, you will need to Add your student(s) to your account.

#3 School fees associated with your student(s) will display here.

Note: If you have more than one student in more than one building, you will see multiple buildings (Elementary, Middle School, High School).

Each fee/student must be selected separately.

Click on "School Fees"

#5 You will receive a message after you add an item to your cart.

Click Dismiss.

From here you can select another student or move forward to payment.

#6 Your purchases will show in your cart.

When you are ready, click on your cart.

#7 Your cart will display all of

your purchases.

When ready, click on Checkout

#8 Enter your credit card information and complete your transaction.
