

GIVE THE GIFT OF A LEGACY THIS CHRISTMAS

Honor your family or the memory of a special loved one this holiday season by creating an endowment or scholarship with the Bishop O’Gorman Catholic Schools Foundation. Endowments help us provide vital funds that sustain our world-class education for generations to come. You can personalize your endowment to benefit an area that your family is passionate about such as teacher salaries or tuition assistance.

RE-ENROLLMENT FOR THE 2023-2024 SCHOOL YEAR

Yes, it’s true—we are already planning for enrollment for next fall! What do you need to be prepared? Make sure that the email on file in your **School Admin** account is up-to-date. We will start the re-enrollment process for next year in mid-February. We will send more details on that after the first of the year.

Current Preschool Families Only: We will be emailing out an Intent to Enroll form next week. This is for you to indicate your request for preschool schedules next fall or to indicate that your child will return for Kindergarten. Be sure the email address in your **School Admin** profile is up-to-date.

Any questions, please contact our Admissions Office at admissions@ogknights.org or call 605-575-3358.

VOLUNTEERS NEEDED FOR EXTRAVAGANZA!

Do you love decorating, planning, organizing and being in the know? We are looking for a team of dedicated volunteers to help with the next Extravaganza - A Night for all Knights fundraising event.
