

Primary Teacher

(Commencing in August 2023)

Job Purpose (Overview)

The Harbour School is a community-oriented organization that values its employees and supports continued growth and education of all its staff. We aim to have a work environment that mirrors our school, with staff loving to come in each day just as much as our students love coming to school. Working at THS should be as much of a joy as the learning experiences are, and we aim to inspire future leaders in progressive education.

Teaching at The Harbour School requires teachers to put student learning first, demonstrating excellence in subject-area matter and progressive teaching pedagogy. Teachers are expected to regularly reflect and research up-to-date teaching strategies for continuous improvement, for their own, and students' benefit.

Teaching at The Harbour School assumes a role beyond the classroom. Applicants must demonstrate the ability to work and communicate collaboratively within a team, assist with the holistic development of students and the school, and be open and willing to undertake duties in addition to their teaching duties.

We are seeking to add to our team and invite applications for passionate **PE Teacher** to join our team starting from August 2023. The PE Teacher is responsible for planning, organizing, and delivering lessons consistent with the physical education curriculum of their students' grade level.

Key Duties and Responsibilities

- Design, plan and implement physical education lessons to meet student's individual learning needs and to ensure student's progression
- Demonstrate the use of proven, research-based strategies for effective classroom management, lesson planning, active student engagement, and instructional delivery
- Maintaining records of individual student achievement and evaluating students on a continuous basis
- Maintain a well organized and stimulating learning environment
- Planning and engaging in professional learning activities that support the school and systematic
- priorities
- Making an active contribution to the policies and aspirations of the school
- Ensuring the administration of classroom procedures are completed efficiently

Required Qualifications

- Bachelor's Degree in Education, or Bachelor's Degree similar to PGCE (Postgraduate Certificate of Education), or equivalent in specialist area.
- Proficiency in spoken and written English
- Minimum of 2 years working in an international school school

Reports To

- Principal
