

Learning Support Teacher

(Commencing in August 2023)

Job Purpose (Overview)

The Harbour School is a community-oriented organization that values its employees and supports continued growth and education of all its staff. We aim to have a work environment that mirrors our school, with staff loving to come in each day just as much as our students love coming to school. Working at THS should be as much of a joy as the learning experiences are, and we aim to inspire future leaders in progressive education.

Teaching at The Harbour School requires teachers to put student learning first, demonstrating excellence in subject-area matter and progressive teaching pedagogy. Teachers are expected to regularly reflect and research up-to-date teaching strategies for continuous improvement, for their own, and students' benefit.

Teaching at The Harbour School assumes a role beyond the classroom. Applicants must demonstrate the ability to work and communicate collaboratively within a team, assist with the holistic development of students and the school, and be open and willing to undertake duties in addition to their teaching duties.

We are seeking to add to our team and invite applications for passionate **Learning Support Teacher** to join our team starting from August 2023.

Key Duties and Responsibilities

- Consistently demonstrates expertise in special education strategies, particularly Literacy, Numeracy, Executive Functioning and Social-Behavioral support.
- Collaborates within a teaching team to plan and develop strategies and accommodations for student differentiation in alignment with the student's needs and Individualised Education Plan.
- Communicates empathetically and effectively with parents, students and colleagues with regards to curriculum, student learning and progress during regular meetings and in written correspondence inclusive of reports and progress markers.
- Provide services that include: assessment; individual instruction; small group instruction; co-teaching; support to classroom teachers in planning and developing adaptive programs, development and implementation of Individualised Education Plan (IEP).

Required Qualifications

- Exemplary, native level English-speaking and writing skills
- Bachelor Degree or higher in Special Education, or Bachelor Degree in any subjects with PGCE (Postgraduate Certificate of Education), or equivalent SEN qualification.
- Minimum of 2 years learning support experience with demonstrated strong organizational, administrative and interpersonal skills

Reports To

- Learning Support Coordinator
