

CEEB Code: 828440

Head of School: Christopher Shannon/ext. 233 | **IB Coordinator:** Brian Moore/ext. 312 | **Academic Advising Coordinator:** Maggie Owen/ext. 358 | **Pre-University Coordinator:** Ryan Bowles/ext. 536 | **Pre-University Office Assistant:** Janette Gentile/ext. 466

Founded in 1909, Lower Canada College is a selective, independent, K through Pre-University (grade 12) day school. For most of its history, LCC has been a boys' school, with coeducation in Pre-University since 1992. Since September 1995, LCC has been coeducational at all levels. In 2021-2022 girls constitute 43% of the school population.

The school has an enrolment of approximately 864 students in the Junior School (K through grade 6), Middle School (grades 7 and 8), Senior School (grades 9 through 11), and Pre-University (grade 12). The student/teacher ratio is 11:1.

The school seeks able students who are interested in challenging themselves academically and contributing to other aspects of school life. The student body is diverse, representing over 29 nationalities (including Canada), with students speaking 24 different languages other than English as their mother tongue. One hundred per cent (100%) of our graduates continue their education at college or university. Seventeen percent (17%) of our students from grades 7-12 receive financial aid.

LCC is an International Baccalaureate World School. Students participating in the IBDP also fulfill the requirement of the *Diplôme d'études secondaires (DES)*. Students not taking the IB Diploma Programme are eligible to do IB courses over one and two years with permission from the instructor (some exceptions apply). There are currently 76 students enrolled in Year 1 and 19 students enrolled in Year 2 of the IB Diploma Programme. There are 9 students taking individual IB courses. In June 2020, LCC also became an IB MYP authorized school, making it the only English high school in Quebec offering both the Middle Years and Diploma Programmes.

LCC has been a member of Round Square since 2007. Round Square is a worldwide association of almost 200 schools across six continents sharing unique and ambitious goals. Students attending Round Square schools make a strong commitment, beyond academic excellence, to personal development and responsibility.

ACCREDITATION

The Quebec Ministry of Education (*Ministère de l'Éducation et de l'Enseignement supérieur* or *MEES*), International Baccalaureate, and the Canadian Accredited Independent Schools (CAIS) accredit the school. LCC is a member of CAIS, the Quebec Association of Independent Schools (QAIS), FEFP (*Fédération des établissements d'enseignement privés*) the National Association of Independent Schools (NAIS) in the United States, and IB. LCC has also recently been accepted as a member of The New England Association of Schools and Colleges (NEASC).

GRADE STRUCTURE

Secondary V (grade 11) is the final year of secondary school in Quebec, after which students may enter a two-year program at a CEGEP (*Collège d'enseignement général et professionnel*) and then subsequently enter a three-year undergraduate university program in Quebec or Canada. The Pre-University year at Lower Canada College corresponds to the final year of secondary school (grade 12) elsewhere in North America and is of interest to those who wish to pursue a four-year undergraduate program in Canada, the United States or abroad.

As the longest standing Pre-University Grade 12 program in Montreal, LCC enrolls both LCC graduates and graduates of other secondary schools in the Montreal area and from further afield. LCC graduates have the opportunity to complete the Year 2 IB Diploma Programme option and/or a Grade 12 Diploma. Graduates joining LCC's Pre-University from other high schools only have the option to complete the Grade 12 Diploma.

Both LCC graduates and other secondary school graduates must apply to the Pre-University program. Admissions is based on a holistic assessment of marks, co-curricular involvement, an admissions essay and an interview.

CURRICULUM

For Middle and Senior School students, the school year is divided into three terms. All classes extend over the full course of the academic year. A normal course load consists of 10 courses in grades 9, 10 and 11. Each class meets three to four times per week, with greater frequency in English, French and mathematics (core subjects). In 2021-2022, the enrolment in grade 11 is 110 students.

Pre-University students have two terms and take six full-year courses. All courses are university preparatory and rigorous in nature. Students in the Pre-University program take courses that are based on the Ontario Grade 12 university-level curriculum. Students also have the option of selecting AP Calculus and AP Psychology. Student progress is reported on two times during the year and all marks are cumulative. Students are assessed in accordance with the Ontario Ministry of Education expectations. In 2022-2023, the enrolment in Pre-U is 71 students.

The IB curriculum comprises a 'core' and six subject groups. Even though these courses run over the two-year period, the IB curriculum gels with the Quebec curriculum and all students fulfill their high school leaving requirements after grade 11.

COURSE OFFERINGS

GRADE 11

English *	Biology
French or Français *	Chemistry/Enriched Chemistry
Mathematics */ Enriched Mathematics	Environmental Systems & Societies
Contemporary World *	Physics/Enriched Physics
Financial Education *	Sports, Exercise & Health Science
Economics	Physical Education and Health *
Global Politics	Arts Education *
History	Advanced Level Art
Business Management	Short Film
Ethics and Religious Culture *	Psychology

GRADE 12

English *	Introduction to Kinesiology

Diploma Pass Rate:	100%	88.85%

Lower Canada College does not issue letter grades on any school reports, but to facilitate conversion for universities, the following grade conversion scale is included for ease of reference.

IB GUIDE TO TRANSCRIPT

IB Final Grades Scale		EE/TOK Grading Scale	
7	Excellent	A	Excellent
6	Very Good	B	Good
5	Good	C	Satisfactory
4	Satisfactory	D	Mediocre
3	Mediocre	E	Elementary
2	Poor		
1	Weak		

STANDARDIZED TESTING

LCC reopened as a testing centre for the 2021-2022 school year, however registration was limited and few testing opportunities were available elsewhere in Quebec. Due to limited access in the past two years, as well as restricted travel opportunities for students to test elsewhere, we currently do not have accurate and up-to-date results to share. LCC has reopened at full capacity again as a testing center for 2022-2023, however we remain the only testing center in the city.

GRADE CONVERSION SCALE

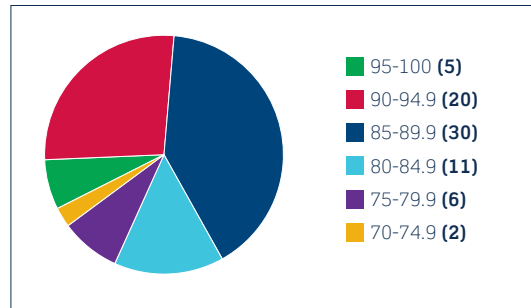

Refined Letter Grade Scale	Gr. 9-11 Numerical Scale of Marks	Pre-U Numerical Scale of Marks
A	90 - 100 %	90 - 100 %
B	80 - 89 %	80 - 89 %

COVID-19 RESPONSE FOR SCHOOL PROFILE & THE COMMON APPLICATION

MARCH 2020 – JUNE 2020

As per the directive of the provincial government and public health office, schools in Quebec closed on March 13, 2020. Senior School and Pre-U students (grades 9-12) returned to class via "virtual school" as scheduled on March 17, 2020, and all students were actively engaged in synchronous and asynchronous full-time classes for the duration of the school year. At the end of the term, in June 2020, students completed end-of-year learning activities in lieu of final exams.

Following the directive of the Quebec Ministry of Education and with the cancellation of final ministry of education exams, the LCC transcript and MEES (provincial) transcript do not provide percentage grades for the 2019-2020 academic year. Only a "PASS" or "REU" (meaning "réussir" or achieved) indicate a pass in order for students to meet their Diplôme d'études secondaires (DES) (high school diploma) requirements.

SEPTEMBER 2020 – JUNE 2021

In the 2020-2021 school year the Quebec Government changed the the Senior School reporting structure, dividing it into two terms instead of three. Term one counted for 35% and term two for 65% of a student's final mark. Ministry exams were cancelled again, however final marks from local high schools were submitted to the ministry and are depicted on a student's final LCC and MEES report.

The Quebec government decided to keep the two-term structure for the high school (grades 7-11). Term one will be worth 35% and term two will be 65% of a student's final mark.

SEPTEMBER 2021 – JUNE 2022

The Quebec government decided to keep the two-term structure for the high school (grades 7-11). Term one was worth 35% and term two was worth 65% of a student's final mark. Ministry exams resumed. Due to the Covid-19 Pandemic the Quebec government required all elementary and secondary schools to provide virtual learning from January 2 to January 14, 2022. Aside from this occurrence, students were attending classes in person on a full-time basis.

SEPTEMBER 2022 – JUNE 2023

The Quebec government has returned to a three-term structure for high school (grades 7-11). Students will attend classes in-person.
