

Greetings Carson Community!

The 5th Grade Leadership: Community Outreach class (Ms. Balke's) is so excited to announce a **Toy Drive** to help support *Happy Bundles*. Happy Bundles is a non-profit organization helping children with Cancer. Happy Bundles was founded by Candice Kriel after her battle with Stage 3 Breast Cancer in 2020. She noticed during her chemo and radiation therapy how many kids were impacted by Cancer. She made it her mission to put a smile on these children's faces by sending them a care package full of toys and well wishes!

Please help bring smiles to these amazing children by donating! We will be conducting our TOY DRIVE for 2 weeks from **November 28th- December 9th**! Please donate new and unused toys both big and small. The 5th grade students hope that families can come together and give a little piece of what brings them happiness through their favorite toy/item. Ask your student what toy, accessory, clothing, etc. makes them happy and donate that item to our TOY DRIVE. We would love to have that personal touch to each of the toys donated.

Ideas for donated item:
