## DeMatha Catholic High School 2023 Commencements

DeMatha Catholic High School is working with Everclear Video Productions, to provide video coverage of the 2023 Commencement. The Video will cover the opening graduation processional, ceremony and recessional, via designated menu options. The video will be professionally edited with custom chapters for all key commencement events. If we get more than 90 orders, Everclear Video will provide additional pre and/or post-ceremony candid footage. Total run time for the DVD is typically 2 hours and 30 minutes.

We coordinate with the National Shrine to have Everclear Video record from the front of the Shrine and to tap into the house sound system for great audio/video quality. The Video will take the hassle out of trying to videotape the event from your seat, allowing you to sit back and fully enjoy the graduation ceremony, and provide you a wonderful archive of this event. Consider purchasing a copy for you and your son, as well as additional copies for family members who are unable to attend!

Save money and order early! Video prices will increase as time goes by.....so order now!
