Dear DCS Community,

Thank you for a fantastic fall! This year started with a series of successes for the community to rally together and celebrate. This weekend, DHS Senior Lily Witte repeated as a 4-time state champion diver while also setting a new state record!

On Saturday, we saw the tremendous community support of the DHS Dreadnaught Varsity Football team travel to Portage in the snow to make the environment feel like the game was a home game at Al Ritt! I've included photos below of the outstanding community support this weekend. A special thank you and congratulations on an incredible season to the DHS Varsity football players, coaches, band, cheer team, dance team, and staff members for the incredible season and bringing so much joy to our community this fall.

Thank you to our bus drivers who braved the weather to get our players, band, and students to and from Portage in the challenging winter weather.

Congratulations and thank you to the Varsity Field Hockey Team on the State Championship!

So many great things are happening every day in our schools. This fall and the show of community support of our students, coaches, and staff is what makes Dexter such a wonderful place for kids.

Thank you, Happy Thanksgiving and Go Dreads!

Sincerely,

Christopher Timmis, EdD

Superintendent
