

Grade 1 Social Studies Curriculum Map

1st Grade Social Studies - Communities: Living and Working Together - Unit Overview

Through the study of civics, geography, economics, and history, students will understand how a community functions and how each member contributes to the community for the common good. Students will study their local community and learn about characteristics that define urban, suburban, and rural communities. Democratic principles and participation in government are introduced. Community resources, environment, change over time, and cause/effect are examined.
