

HILLEL YESHIVA EXPANSION CAMPAIGN

In loving memory of
MR. SAUL E. ASHKENAZI A"H
Honorary Building Chairman

HISTORY IN THE MAKING

In 1950, Hillel Yeshiva was founded and was comprised of only one grade. Today, we are proud to educate 1,200 students across four divisions. Our community is growing and so is our yeshiva. Our founding fathers had the vision to purchase a 56 acre parcel of land to build an educational campus for the ever growing population. Today, we are continuing their vision with a multi-phase expansion to help support the growth of our enrollment. Hillel Yeshiva has the will, we ask our visionaries to provide the way. Become a visionary today.

THE HEART OF HILLEL

Our flagship educational complex will consist of a new modern high school building and a new cutting-edge preschool building. All other existing buildings and classrooms will be fully renovated. An expanded parking lot and recreational grounds will provide easier parking and areas for sports and relaxing. A new grand lobby entrance will welcome students, faculty and visitors. A beautifully landscaped alumni walk will lead to Founders Hall.

BUILDING A SOLID FOUNDATION ONE BLOCK AT A TIME

Our youngest division is our fastest growing division. To meet the needs of the many young families that are moving to the Jersey Shore community we are building a brand new additional preschool building on the site of the original firehouse. The building will be state-of-the-art and provide our youngest students with learning opportunities in bright, flexible spaces conducive to taking their first steps on the path to educational success.

SAFEGUARD OUR CHILDREN

The relocation of the fire station will create space for us to build future additions to our campus. Our expansion allows the fire department to move to a new location on the corner of Deal Road, to have a contemporary, efficient space and faster exit times in emergencies.
