

School-Based Mental Health

Our clinic model of care:

- Evidence-based treatment

Services include:

- Outpatient therapy: individual, group, family
- Brief therapy
- Telehealth therapy
- Psychoeducation, care coordination
- Evidence-based screenings: depression, anxiety, self-harm
- Crisis care for clients
- Parenting groups: biological, blended, extended
- Collaboration: schoolwide interventions

Population served:

- Our service is available for all students and their families as well as school staff and their families at any of our school-based mental health clinic sites. We have clinics in the following school districts: Bigfork, Columbia Falls, Kalispell and Whitefish.

Our staff:

- Licensed Therapists (LCPC, LCSW)
- Mental Health Technicians

Payment for services:

- Private insurance
- Private pay
- HRSA/NHSC sliding scale
- Medicaid
- CHIP

Questions?

- Contact (406) 756-3950 for more information.

*SED is no longer an admission requirement to receive our school-based mental health service.
