## 2020-21 School Accountability Report Card

Upload of your logo is optional.

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

### Vision Statement

Taft Community School, by providing a quality education, will be a source of empowered, successful members who reinvest in the community they create.

### Mission Statement

We are Taft Community School. Our students, parents, staff, and community members work together to ensure every student meets or exceeds academic standards in a safe and caring environment. Building on diverse backgrounds, providing educational opportunities and resources, and fostering successful learning experiences, we are dedicated to being lifelong learners and contributing members of a global society.

### School Profile

Taft Community School offers a preschool through fifth grade English and Spanish biliteracy program. The goal of our school is to develop a strong pathway to biliteracy leading into high school and beyond. This assures our students great opportunities in college and career by giving them skills that translate into the workplace. Our teachers are at the forefront in integrating technology, critical thinking, communication, creativity, and collaboration skills into their lessons. Taft Community School also offers STEAM program for students to both inspire and develop creativity and innovation.

Taft Community School works in partnership with families in a community that respects diverse backgrounds and treats everyone equitably with the goal of preparing all students for success in high school, college and career paths. Taft Community School offers a biliteracy program with English and Spanish language strands for preschool, transitional kindergarten, and kindergarten through fourth grade students. Our Partnering with Parents Program aims to engage parents in to volunteer service at the school by supporting students with reading assistance, providing classroom and office support, engaging in computer and job skills classes, serving on school committees, helping with school-wide events, and more! Taft Community School and our students flourish due to a positive and supportive culture provided by the staff and parents and the community resources that support the whole child and their families.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2020-21 Teacher Preparation and Placement

<b>Total Teaching Positions</b>	16.0	100.0	368.2	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All Redwood City School District students have equal access to state adopted, standards aligned textbooks and instructional materials. Funds are appropriated according to the textbook adoption cycle.

Additionally, the district is using EngageNY <http://www.engageny.org> to support English language arts instruction as we transition to the Common Core State Standards.

Pursuant to the settlement of Williams vs. the State of California, Redwood City School District thoroughly inspected each of its school sites at the start of the 2021-2022 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in the four core subject areas: English language arts, mathematics, history/social studies and science), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the District must be aligned with the California State Content Standards and Frameworks, with final approval by the State Board of Education.

The Redwood City School District Textbook selection is done by a District, grade level and subject area committees coordinated by Executive Directors of Educational Services. The final textbook selections for grades TK-8 from the current approved State lists are then selected and the recommendation goes before the School Board for final approval.

The chart below displays data collected during the August 2021 District Textbook Audit, in regards to student editions in use at Taft Community School during the current school year (2021-2022).

## School Facility Conditions and Planned Improvements

Taft Community School was originally constructed in 1951, and is currently comprised of 31 classrooms, one library, one multi-purpose room, a STEAM room, a playground, and a play field.

The school was completely modernized in 1993, and further renovated in 2000 as the result of two separate bond projects (Measures A & B). Measure A renovations were completed by December 2001 and included the addition of 7 new classrooms, two reclaimed classrooms, and a new library/media center and cafeteria/multipurpose room. Measure B projects have been completed at variable times over the past three years and have included: remodeling of restrooms in older buildings; replacing of damaged sidewalks, old perimeter fencing, and window coverings; installation of energy efficient lighting in older buildings; the addition of a covered walkway; fresh painting on a number of buildings; and campus-wide American Disabilities Act (ADA) improvements.

The school is currently under construction to modernize the school library, office, STEAM room, and add 2 additional classroom to the school site. Renovations are being supported through a school bond. Modernization is scheduled to be completed by January 2022.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with “NT” values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parents play a crucial role at Taft Community School through active participation and involvement in the Community School with Parents United/Padres Unidos, PTO, School Site Council, Leadership, English Language Advisory Committee (ELAC), District English Language Advisory Committee (DELAC), and other support committees. Parents are encouraged to volunteer at school events and in classrooms to collect volunteer hours of service. There are many opportunities for parents to take classes in leadership, helping their children with homework and projects, financial planning and more. Additional parent trainings this year will focus on helping your children with mathematics, reading, writing and more.

Taft Community School is proud of the support it receives from the community and its strong collaboration with the Boys and Girls Club, Sequoia Heath Foundation, STAR VISTA, Friendly Acres Neighborhood Association, Redwood City Police Department, Police Activity League, Menlo School, Canada College, Kaiser Foundation and the San Mateo County Health Department.

Parents who wish to participate in Taft Community School's committees and activities, or become a volunteer may contact the school at (650) 482-2416 or the Family Center at (650) 482-2847.

### C. Engagement

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

The safety of students and staff is a primary concern of Taft Community School. The School Site Safety Plan is evaluated and revised annually by administrators, staff and parents and approved by the School Site Council. Revisions to the Safety Plan are communicated to staff and community members annually. Key elements of the Safety Plan emphasize disaster preparedness and drill schedules (intruder, earthquake, and fire). The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during an emergency. Fire and earthquake drills are conducted on a monthly basis throughout the school year. The school also practices lock down drills and all safety/evacuation drills in accordance with the District & County adopted- The Big Five Emergency Response Protocols.

To ensure student safety, supervision is provided on campus at all times. Teachers and administrators supervise students before and after school and during breaks. All visitors to the school must sign in and out at the office, wear a visitor pass and receive prior authorization to be on campus at least 24 hours in advance. The Taft ELAC & School Site Council will began the process of reviewing and updating the School Safety Plan on Monday, December 6, 2021 with staff and parent stakeholder input. The draft updated school safety plan will be provided to the Taft Staff on Wednesday December 1st to review and provide feedback.

## Professional Development

2021-22

The focus for districtwide Professional Development (PD) has been the connection of teaching strategies to our evolving “Student Learner” profile: Students as knowledge constructors, effective communicators, and empowered learners. Three days of PD were offered to all teachers prior to the beginning of the school year, and each topic was explicitly linked to one of these attributes.

In addition, with close to 95% of our students returning to in-person instruction, the social emotional health and wellbeing of our students, staff and community have been a focus in engaging outside resources for training and workshops.

The development of teacher leadership is highlighted this year through “Lead Learner” structures, bringing together teachers from across the district to delve deeply into subject areas with an equity lens.

Underlying and fortifying all of this work continues to be our commitment to equitable practices and our systemic approach to analyzing our current system for biases and inequities. This work is currently being undertaken by the Multi Tiered Systems of Support (MTSS) District Leadership Team (DLT).

2020-21

The focus for PD during a school year in which the majority of instruction took place virtually, was on providing excellent distance learning opportunities for all students, regardless of grade level. All students were provided with the necessary devices and hot spots to be able to participate in daily synchronous and asynchronous instruction. Teachers received 5 days of training at the beginning of the school year in a variety of online tools and applications. Throughout the year, Doug Fisher, of Corwin Press, presented key aspects of designing high quality distance learning lessons: clarity, engaging, feedback, and supporting the students as drivers of their own learning.

National Urban Alliance (NUA) mentors and coaches worked with teachers in grades 4-8 across the district to develop rigorous, student-centered instruction through opportunities for collaboration, creativity, communication, and critical thinking.

2019-20

In the beginning of the 2019-20 school year, school staff were trained in the implementation of the Multi-Tiered System of Supports (MTSS) framework, accompanied by Positive Behavior Interventions and Support. Each school developed an MTSS Leadership Team, designed to develop leveled supports for students in the academics, behavior, and social-emotional domains. While this work began during this school year, it was interrupted in 2020-21 by the pandemic, but has been renewed in 2021-22.

The Sobrato Early Academic Language (SEAL) initiative continued for part of this school year (interrupted by the pandemic). The focus of this training was to promote language and literacy development through integrated units of study.

This table displays the number of school days dedicated to staff development and continuous improvement.
