ENERGY CONSERVATION SERVICES CONTRACT
WITH ENGIE SERVICES U.S., INC.
PURSUANT TO GOVERNMENT CODE SECTION 4217.10, ET SEQ.**

NOTICE IS HEREBY GIVEN that the Governing Board of the San Mateo-Foster City School District (“District”), as authorized by Government Code section 4217.10 et. seq., will consider entering into an energy conservation services contract with ENGIE Services U.S., Inc. for the design and construction of Solar PV Systems at multiple District sites (“Contract”).

The District will consider facts and testimony to determine whether the Contract is in the best interests of the District and whether the District’s anticipated cost for thermal or electrical energy or conservation services provided by the energy conservation facilities under the Contract will be less than the District’s anticipated marginal cost for thermal, electrical, or other energy that the District would have consumed in the absence of the Contract

The date, time, and place for the public hearing on the District’s intention to consider entering into the Contract is December 15th, 5:30 PM, or as soon thereafter as practicable, at The San Mateo-Foster City District Office 1170 Chess Drive, Foster City, CA 94404.

Testimony of all interested persons for or against the proposed Contract will be heard at the public hearing. Objections may be made orally or in writing. Any protest pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularities and defects to which the protest is made. All written protests shall be filed with the District at or before the time set for the hearing. The District may waive any irregularities in the form or content of any written notice and at the hearing may correct minor defects in the proceedings. Written protests may be withdrawn, in writing, at any time before the conclusion of the hearing.
