COLLEGE MATRICULATIONS AT CULVER ACADEMIES

Our single advisor approach at Culver Academies ensures that every student benefits from developing a meaningful relationship with one advisor throughout their journey at Culver, thus fostering a transformational advising experience. Advisors work with small numbers of students in all grades in support of the development of self-discovery, self-reflection, and self-advocacy. Together, they identify passion, purpose, and potential while remaining focused on intentional decision-making that promotes both aspiration and suitability.
