Students meeting state grade-level expectations.

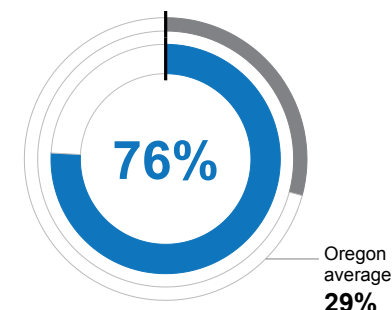

MATHEMATICS

Students meeting state grade-level expectations.

SCIENCE

Students meeting state grade-level expectations.

School Goals

School goals aim to cultivate highly engaged, self-determined students who thrive academically and socially. Themes include an emphasis on student well-being, collaboration, and respect and civic-mindedness. Restorative Justice practices are implemented. The school community holds high expectations for academic integrity, a passion for excellence and an emphasis on persistence and resilience. Students will make measured academic progress by frequent review of and response to data from formative, interim and summative assessments.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

The RGS Safety Committee has been actively planning for increased school-wide security and safety measures to keep students safe during the school day. We continue to use a multi-agency threat assessment team, lock down and lock out drills, safety tip lines, staff training, and our community resource officers. Staff implement Trauma Informed Care practices and respond with care and intention to emotional safety.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

RGS is a PBIS school. We teach and positively reinforce expected student behaviors. Student supports include in classroom brain break stations, a Sensory Zone, teaching Zones of Regulation and use of Social Thinking curriculum. Middle School instruction emphasizes responsible use of technology and discussions on responsible use of social media. We utilize restorative practices to help students repair relationships and restore community.

EXTRACURRICULAR ACTIVITIES

Extracurricular activities are provided both through the RGS PTC and Riverdale School District. RGS PTC Led Events include Oregon Battle of the Books, Community School, Extended Care, and Drama Art Literacy (during school day). RGS Athletics include soccer, volleyball, cross country, basketball, and track and field.

PARENT ENGAGEMENT

RGS thrives with high parent involvement. The Riverdale Parent Teacher Club is our primary partner in parent engagement. The PTC provides many volunteer opportunities through community building activities including Classroom Enrichment, Teacher Support, Extra Curricular Activities, Community Building, and Grade School Support. Teachers specify volunteer opportunities in the classroom such as facilitating literature groups.

COMMUNITY ENGAGEMENT

RGS community members participate actively on committees and clubs including the RGS Safety Committee, RGS Site Council, RGS Garden Committee, and RGS PTC. Key Community Building Events include back to school welcomes, Carnival Riverdale, playgroup, winter craft fair, guest speakers, field day, book fair, movie nights, new family liaisons, grade connectors, and the PTC auction.
