

**SCC MEETING MINUTES
OCTOBER 25, 2022
ZOOM MEETING**

Those Present: Richard Squire, Carolyn Billings, Megan Lopez, Rachelle Park, Kate Davis, Anita Hunt, Bethany Epstein, Megan Hansen, Jenny Linford and Jessica Wood

A motion was made and seconded to approve the minutes from the previous meeting. The motion carried and the minutes were approved as written.

A discussion was held about forming clubs for after-school activities. Clubs must be submitted through the principal in the Fall with a faculty member as a sponsor. This will be submitted to the faculty for discussion.

Discussion about data was continued in this meeting. Are there opportunities to take a deeper look at data? How can we celebrate successes? Teachers are engaging in data discussions. Additional time teachers have is having the desired effect on overall student achievement. The Pandemic has definitely had an effect on learning. Goals are being met but there are still opportunities for growth.

The next topic of discussion was the school safety and Positive Behavior plans for the school. HB58 encompasses positive behaviors. Dragon Of The Day cannot be a last-minute thought. 5th grade is receiving Life Skills Training for substance abuse.

The Behavior Plan will be sent to the SCC for review for approval at the next meeting.

Jenny Linford is going to meet with the district about parents wants and questions regarding our emergency plans. Jenny Linford, Erin Watts and Richard Squire still need to define what is needed on the Website. The biggest concern is how to communicate with parents

about the steps the school will take in case of emergencies.

A suggestion was made that we convert our safety plan to Google so everyone can comment on the plan for the next meeting.

There being no further discussions, a motion was made to adjourn. The motion carried and the meeting adjourned at 8:30. The next meeting will be held on November 22, 2022 at 7:30. This will be a Zoom meeting.
