CLASSROOM NEWS

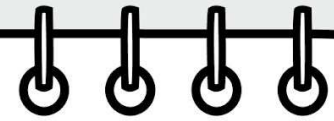

Math- We are learning about different types of angles (acute, right, and obtuse). We are also learning about lines, line segments, rays, and symmetry.

Reading- We are finishing our 3rd reading unit about non-fiction texts. We will be moving into our 4th unit focusing on fiction texts and different points of view.

Writing- We have been focusing on opinion writing. Specifically being about to justify our opinions with reasons and examples.

Science- We have just started our new science unit about how the surface of the earth changes. We will be learning about weathering, erosion, and how earthquakes and volcanoes change our environments.

Second Step- We have been learning about ways to keep our emotion and logic centers in our brains balanced.

EVENTS

Dec. 2nd- Winterfest
from 5:30-7:30

Dec. 15th- Talent Show
