

Crestwood COMMENTS

Serving the communities of Hiram, Mantua & Shalersville

Dear Parent/Guardian of Crestwood Students,

The safety of our students is our number one priority. You are probably aware that a school tragedy took place Monday morning at Chardon High School. Our prayers are with the parents, students, and staff members of Chardon who have been touched by these events.

It's unfortunate this event has occurred so close to home, and this is a reminder to us why we are working towards implementing a new safety program for our students and staff. With an increase in workplace violence and school shootings over the past several years, we have been working to implement a safety program that will improve safety for our students and staff. The program, A.L.I.C.E - Alert, Lockdown, Inform, Counter, Evacuate – is designed to enhance our current “Lockdown” procedures.

Staff underwent training earlier this school year and we have planned an informational session for parents Wednesday March 14, 2012 at 7:00 PM at Crestwood Primary School.

This presentation will inform parents about enhanced security measures. Additional information about this meeting will be displayed on our website in the near future.

A.L.I.C.E - Alert, Lockdown, Inform, Counter, Evacuate

A lert	Danger Announcement
L ockdown	Starting point from which to make safety decisions
I nform	Provide real-time information to those in danger
C ounter	Use of simple, proactive techniques to counter aggressive actions, if necessary
E vacuate	Remove as many from the danger zone as quickly as possible by evacuating them to a safe place.

Pictured are the boys and girls 7th & 8th grade basketball teams.

7th Grade Boys Basketball Makes History

The Crestwood Middle School 7th Grade Boys Basketball team has never played in the Championships, until this year. The team defeated Norton, 34-29 and upset first-seed Stanton with a score of 33-30 to make it to the Championship but wasn't able to pull out the championship. The boys were defeated by Ravenna 34-27.

The boys had an exciting year with defeating Kent's Stanton Middle School twice and pulling off a thrilling come-from-behind victory over CVCA. The boy's record was 10-6.

Superintendent's Letter . . .

Defining and Redefining Excellence in Ohio's Schools – PART 2

In last month's edition of the *Crestwood Comments*, I began a conversation on what it means to be an excellent school district in Ohio. As an excellent-rated district, Crestwood Local Schools met and exceeded the state requirements. I believe that by reviewing how well students are prepared for college and career success once they leave high school, the community can truly understand how special this district is.

In 2011, 69.2 percent of Crestwood students taking an Advanced Placement exam passed. This accomplishment exceeds the 65.6 percent for the state of Ohio and 60.2 percent globally. Additionally, we've seen the number of tests taken by Crestwood students increase from 67 in 2007 to 93 in 2011. Passing an AP test earns students college credit at many universities and helps them better prepare for the rigors of college course work. Categories for these AP tests include: Biology, Calculus, English Literature and Composition, Music Theory, Physics, Psychology, Art Design, U.S. Government and U.S. History.

Let's now look at how well Crestwood Local Schools compares to the state of Ohio average and the remaining districts in Portage County.

	Percent of Students Attending College in Ohio	Average ACT Score	Percent of Students Taking College Preparatory Courses in High School
State of Ohio	36%	22	66%
Crestwood Local Schools	45%	22	70%
Portage County Maximum	60%	23	80%
Portage County Minimum	31%	20	38%

So what does all this tell us? First, Crestwood students are among the highest achieving students in Portage County on state tests and in college readiness measures. This achievement is the result of having dedicated and invested students, teachers, parents and staff. Second, while Crestwood's scores are among the best in Portage County, our effective operating millage remains the lowest of all the schools in the county.

As always, I'm inspired by the accomplishments of our students, and staff and the district will continue to focus on the needs of every child, every day.

- Joe Iacano

Crestwood Schools Celebrates "P.A.C.K." Week

Jennifer Bujak-Hirsch, SNS, Nutrition Services Director, Joyce Schroder, RN, Middle & High Nurse
Karen Abruzino, RN, Primary & Intermediate Nurse

Crestwood schools are participating in a national healthy eating initiative called P.A.C.K. Week- Pack/Purchase Assorted Colors for Kids Week. This is a fun and educational program aimed at encouraging kids to eat more colorful fruits and vegetables.

The focus of P.A.C.K. Week is on eating a wide variety of colorful fruits and vegetables as each has its own nutritional benefits. To get the broadest range of nutrients, all colors are important- purple, white, red, yellow, orange and green. And kids love eating the rainbow! Each day of P.A.C.K. Week has been assigned a different color, and we're asking you to pack a fruit or vegetable of that color in your child's lunch or purchase the school lunch which will offer a variety of choices of fruits and vegetables in that color. All forms of fruits and vegetables count so consider 100% juice, dried fruit or canned fruit or vegetable forms. The chart below lists the days of P.A.C.K Week with some packing tips to make it easy.

There are lots of ways to be creative and get more healthy fruits and vegetables into your child's day. For more tips visit www.fruitsandveggiesmorematters.org Please join us as we celebrate P.A.C.K. Week and Fruits and Veggies!!

High School Yearbook Notices

Yearbook sales extended, but are wrapping up April 2! Please act soon to reserve your 2011-12 Crestwood High School yearbook. Order forms are available in room 116 at the high school, on the Crestwood High School webpage, and through www.yearbookforever.com. Buying online offers you an opportunity to pay with a credit card. Only checks and cash may be accepted at the school. We will not be able to add additional books to our order once we reach the deadline. Once the extra books are gone, we have no way of to obtain additional copies. Please do not delay, do not count on receiving a book if you did not order one on time.

Parent Pages

Dear Parents and Seniors, We would like **all** Crestwood Senior parents to consider reserving a space to send a message, with pictures, to a graduating senior. These ads will be tastefully designed in **Full Color** and due to overwhelming demand, we are accepting no full page ads—sorry. The acceptance process will be **FIRST COME, FIRST SERVE**. The Parent Page order form is available in room 116 at the high school or through Mr. Pavelek's teacher webpage found at the high school website. Please contact Mr. Pavelek (330-274-2214 x 416) with any questions. **The deadline for order form, payment, and pictures is Friday, March 30, 2012.**

Middle School...

Mantua Knights of Columbus Announces Free Throw Championship Winners

Eight Crestwood area boys and girls ages 10 to 14 were named local champions of the 2012 Knights of Columbus Free Throw Championship and have earned the right to compete at the district level. Mantua Council # 3766 sponsored the local competition at Crestwood Middle School on January 18.

Youngsters ages 10-14 were eligible to participate and each contestant was allowed 15 free throw attempts in the contest. Ties were settled by successive rounds of five free throws per contestant until a winner emerged.

From 26 contestants the following winners are moving on with an eye toward advancing to regional, state and international levels of competition: Isaiah Patton, age 10, Ellie Cox, age 10, Logan Bailey, age 11, Bianca Marinelli, age 11, Jordan Scott, age 12 (not pictured), Taylor Lough, age 12, Brandon Nelson, age 13 and Robert Connors, age 14.

Congratulations and good luck during the district competition at St. Patrick's in Kent on Feb 3, 2012!

Members of the Mantua Knights of Columbus would like to thank Crestwood local schools, all participants, parents and volunteers for another successful event.

Young Inventor Places as Semi-Finalist in Regional Competition

Sixth-grader Olivia Fowler was recently announced as a semi-finalist in the Shearer Chips Perfection Contest. Students in grades 4-8 had to create a new, useful invention by repurposing empty Shearer's chip bags. Olivia caught the judges' eyes with her beautiful chip bag hair bows. By placing in the top ten, she has already won a \$50 gift card.

Shearer's Foods, Inc., Just Between Friends, and The National Museum of Education are offering the competition to students in grades 4-8 from the state of Ohio and from the Pittsburgh, Pennsylvania area. Congratulations, Olivia.

Celebrating Perfection

At the end of each grading period, core teachers at Crestwood Middle School administer common assessments, tests that are created to measure student knowledge of the standards that were taught in the preceding grading period. The 8th grade history common assessment includes multiple choice, true/false and several extended response questions. Students whose test scores indicate that concepts were not mastered are provided with intervention.

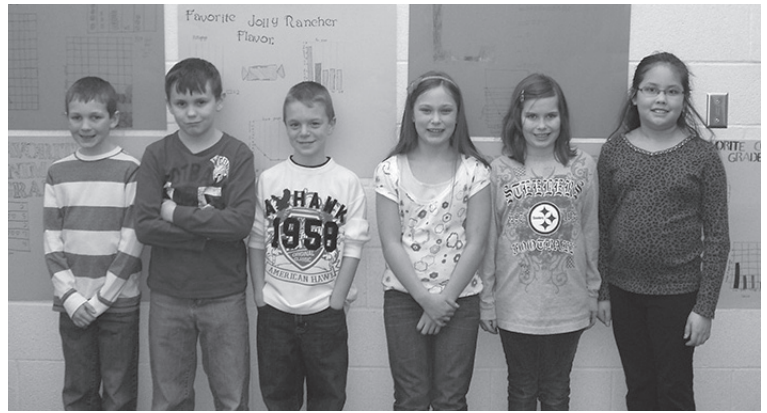

Each grading period, to celebrate 8th grade Red Team students who score perfectly on the common assessment, Mrs. Marfy holds a pizza party. A 100% on the common assessment is really a cause for celebration! On February 10, 2012, Mrs. Marfy hosted 21 students for

lunch. Mrs. Marfy was especially thrilled with the high number of qualifying students. Students enjoyed pizza from Italian Garden. Invited students included: Alex Bowser, Brandon Caldwell, JJ Catcott, Morgan Faldowski, Drew Hill, Jake Leiberth, Jeff Lorence, Cate McSwain, Alexis Mazey, Meghan McDermott, Shane Midgley, Robbie Richards, Anthony Savoca, Matt Thompson, Anthony Bates, Courtney Capel, Sean Fejes, Romie Schweickert, Lauren Smith, Cole Faust, Cameron Mordue, Romeo Nuti, and Chris Rector.

Intermediate School...

The Survey Says...

Fourth graders in Mrs. Ostrowske and Mrs. Engelhart's classes were learning how to collect and compile information in various ways. Students generated their own survey questions based on their interests such as favorite types of music, favorite mythical creature, favorite candy, etc. Classmates were surveyed, results tallied and displayed in line graphs, pictographs, and bar graphs. Students then discussed the effectiveness of providing information in graph form versus paragraph form.

5th grade student Mira Soukenik

Interactive Reading with Raz-Kids

This year the Intermediate School is using Raz-kids to motivate students to read. Students in grades 3-5 have access to a wonderful world of books through Raz-kids, an interactive on-line reading site for students to practice reading fluency and comprehension. The students can listen to a story, read a story out loud, record themselves reading, and then take a comprehension quiz. Each student has their own account with books available based upon their personal reading level. Students spend time at home and school accessing this interactive library. Teachers are able to monitor the students' progress and change their reading level when necessary. Time spent logged into Raz-kids earns children points or stars to use for their virtual Raz Rocket incentive and reward system. Raz-kids has been a wonderful opportunity for students to enjoy reading!

Hands-On with Textiles to Hands-On with I-Pads

Second Grade Class Uses Many Teaching Methods to Aide Student Learning

This winter Mrs. Grebb's second grade class has engaged in several activities incorporating different teaching and learning styles.

Mrs. Amy McCoy, a retired Crestwood teacher, taught the students how to crochet. They have been having a wonderful time during indoor recess making bracelets, necklaces, and even a few "mini" scarves.

In Social Studies, students researched their ancestors and traditions. They then wrote reports and dressed paper dolls in the authentic clothing of their ancestors.

The students have also been using I-pads and I-pods to add to their learning. Students have used a continent app to identify and learn the continents, as well as apps that provide practice with basic math facts, counting coins, and spelling.

February is National Heart Month!

Students in Mrs. Reece's kindergarten class listen to their hearts as part of a "Healthy Hearts" class taught by Mrs. Abruzino, School Nurse. Students learned how the heart works, and how exercise, healthy eating and not smoking help to keep the heart healthy.

ArtsRead

Mrs. Skully, CPS art teacher, is teaching a Reading-Art Enrichment Program called **ArtsRead**. The program is for students in kindergarten through second grade. The cross curricular art classes integrate reading and art. After students complete their book they may sign up for a special art class where they discuss the story and work together to create an art project based on the important themes of the book.
