

Trip/Travel Student/Parent Responsibilities

Foothill High School is proud to have student representatives at various conferences, camps, and athletic competitions around the country and around the world. Continued success and viability of these trips is dependent on students and parents demonstrating proper conduct while traveling. While the students represent Foothill High School at any school related trip, all school rules, Education Code sections, and board regulations are in effect. Please review the sections below with your student and then sign and return the bottom portion of this memo. If necessary, please refer to the Education Code sections and TUSD Regulations. If you have any questions regarding any of this information, please contact Troy Fresch, Assistant Principal, at (714) 730-7487.

Student Responsibilities

All school rules, Education Code Sections, and TUSD Regulations apply at all times - including time away from competition organized activities, and when under the supervision of chaperones. Please pay particular attention to the following Education Code Sections.

Drug and alcohol related violations of the Education Code [see Ed. Code Sections 48900 (c) (d) (j); Ed. Code Section 48915 (a) (3); Ed. Code Section 48915 (c) (3)] will result in an immediate removal from all school related activities, and upon return to school, immediate suspension. In accordance with Board Policies and Regulations 5114 and 5118 the student will face the following consequences:

- If the incident is a first offense, the school may exercise disciplinary consequences that may include 1) suspension 2) recommendation for involuntary transfer to another high school within Tustin Unified School District 3) recommendation for expulsion from all schools within Tustin Unified School District. Foothill High School may also recommend participation in Project TODAY, a three day drug and alcohol education program.
- If the incident is a second offense, the student will be recommended for expulsion from all schools within the Tustin Unified School District.

Bullying and Hazing [Ed Code Section 48900 (q)] are not permitted and will result in an immediate removal from all school related activities and possible suspension, expulsion, or involuntary transfer upon return to school. In addition to suspension from school, involuntary transfer, or expulsion, code of conduct violations may result in suspension of school related activities and removal from the class, or classes related to these activities.

Students must also obey the following rules:

- Guests are not allowed in student rooms (only advisors, coaches, players, parents, chaperones).
- Students must be accompanied by a chaperone at all times.
- Students may not have prescription or non-prescription medicine. All medicine must be given to the staff member who is in charge of the trip.

Parent/Chaperone Responsibilities

It is through the support of parents that we are able to sponsor trips and activities. Parents and chaperones that accompany students have a great responsibility. Any inappropriate behavior jeopardizes Foothill High School's ability to sponsor trips in the future. We ask that parents and chaperones follow these guidelines:

- All parents who travel and spend the night must complete a chaperone packet.
- All parents and chaperones must adhere to TUSD Board Policy/Regulation 6174 regarding Trip/Travel supervision.
- All parents and chaperones may not consume alcohol during the trip.
- All parents and chaperones must immediately report any problems and/or rule violations to the coach or advisor.

I have read and understand the above rules and regulations regarding Trip/Travel Policies for the following trip and I have read and understand Board Policy/Regulation 6174 and Education Code Sections 48900 and 48915:

Trip/Student Group: _____

Dates: _____

Parent Name
