## ACT PREP CLASSES

### 2022-2023

Layton High School is proud to provide quality and affordable ACT prep classes to all high school students interested in gaining extra practice under the guidance of certified and trained educators. These classes will improve overall ACT test scores and better prepare students for admission into the college of their choice. Each session will give students sixteen hours of detailed instruction in math, English, reading, and science reasoning, and two hours of specific ACT testing strategies.

### COST

Each session costs \$80 plus \$25 for a copy of *Barron's ACT Premium Study Guide*, the textbook used in the class. This book is mandatory as it will be used, not only for instruction, but for practice by the student as well.

### REGISTRATION

Register and payment is **ONLY** available online at [Canyon Heights Adult Learning](http://CanyonHeightsAdultLearning.com). Students **CANNOT** register in-person at Woods Cross High. Please take a copy of your receipt to class on the first day to pick-up textbook. All classes will be taught at Woods Cross High School in Room 602
