

# Welcome to UnitedHealthcare

When it comes to finding a doctor and managing your health, simpler is always better. The UnitedHealthcare Shared Services member website offers a variety of tools and resources that make it easier than ever.

To find a doctor, hospital, lab and other providers in your network visit [whyuhc.com/uhss](https://www.whyuhc.com/uhss) and follow these steps:

- 1 Click on **Find a Doctor/Hospital**
- 2 Select the network on the back of your ID card
- 3 Enter an address, city and state or zip code
- 4 Select the appropriate location and click **Continue**
- 5 Select the type of **Medical Care**, or enter a name or service and click **Search**
- 6 To locate a primary care provider, click **People**
- 7 Next, click on **Primary Care**
- 8 Choose the type of primary care provider
- 9 If you already know the doctor name, medical group or hospital you are looking for, select **All Primary Care Providers**
- 10 In the open search field, enter text and click **Filter**

## Look for the blue hearts! ♥♥

Providers with this designation meet UnitedHealth Premium program criteria for providing quality and cost-efficient care.
