OBLIGATIONS OF SCHOOL EMPLOYEES TO REPORT ABUSE AND SEXUAL CONDUCT

ALL EMPLOYEES are required to follow Policy JHFE "Reporting of Suspected Abuse of a Child" and policy JHFF/GBNAA "Reporting Requirements for Suspected Sexual Conduct with Students." These policies help ensure employees are properly reporting incidents of abuse and sexual conduct.

Policy JHFE requires employees who have a reasonable cause to believe **any child** with whom the employee has come into contact has suffered abuse, to report this to DHS or the law enforcement agency within the county where the person making the report is located at the time of the contact. It also requires employees who have a reasonable cause to believe that **any adult or student** with whom the employee is in contact has abused a child to report this to DHS or to the law enforcement agency within the county where the person making the report is located at the time of the contact. See attached district policy JHFE "Reporting Requirements for Suspected Abuse of a Child" for more detail regarding these reporting obligations.

Policy JHFF requires employees who have reasonable cause to believe that another employee, contractor, agent or volunteer has engaged in sexual conduct with a student, to immediately notify the designated licensed administrator of the conduct. The designated licensed administrator who receives the report is required to report to the Oregon Department of Education (ODE or Teacher Standards and Practices Commission (TSPC) as appropriate. See attached district policy “Reporting Requirements for Suspected Sexual Conduct with Students” for more detail regarding these reporting obligations.

INVESTIGATORY PROCESS

When the designated licensed administrator (or alternate) receives a report of sexual conduct and has reasonable cause to believe that it has occurred, the designated licensed administrator will report the alleged conduct to TSPC if the alleged perpetrator is a licensed individual, and to ODE if the alleged perpetrator is not licensed (effective July 1, 2020). TSPC or ODE will conduct an investigation and report back to the district. The district may also conduct an investigation into the alleged sexual conduct. If the designated licensed administrator (or alternate) receives a report of child abuse and has reasonable cause to believe that it has occurred, the designated licensed administrator will ensure that the report has been made to DHS and/or law enforcement for investigation. The district may also conduct an investigation into the alleged abuse. The designated licensed administrator will also report to TSPC if required by OAR 584-020-0041. A contractor, agent or volunteer may be removed from their position based on information of sexual conduct and/or child abuse.

[OBLIGATIONS OF SCHOOL CONTRACTORS, AGENTS AND VOLUNTEERS TO REPORT ABUSE AND SEXUAL CONDUCT

ALL CONTRACTORS, AGENTS AND VOLUNTEERS are required to report all known or suspected incidents of abuse and sexual conduct to a school administrator. Failure to report known or suspected incidents of abuse and sexual conduct may lead to termination of your contract with the District, termination of your right to volunteer with the District, and/or trespass from all school property and events.]¹

¹ This Section is optional. The District should review contract and consult with legal counsel.

APPROPRIATE ELECTRONIC COMMUNICATIONS WITH STUDENTS

Policy JHFF/GBNAA requires that any electronic communications with students by a contractor, agent or volunteer for the district will be appropriate and only when directed by district administration. When communicating with students electronically regarding school-related matters, contractors, agents or volunteers shall use district e-mail using mailing lists and/or other internet messaging to a group of students rather than individual students or as directed by district administration. Texting or electronically communicating with a student through contact information gained as a contractor, agent or volunteer for the district is _____.² See attached district policy JHFF/GBNAA Reporting Requirements for Suspected Sexual Conduct with Students for more detail regarding these reporting obligations.

ADDITIONAL PROHIBITIONS

If a school employee, contractor or agent knows or has reason to know that another school employee, contractor or agent has engaged in sexual conduct or abuse, the school employee, contractor or agent may not assist the other in obtaining a new job. This prohibition does not apply if the employee, contractor or agent knows or has reasonable cause to believe that the conduct was reported to the appropriate agency and was resolved, or the investigation remains ongoing after four years.

⁴“Sexual conduct,” means verbal or physical conduct or verbal, written or electronic communications by a school employee, a contractor, an agent or a volunteer that involve a student and that are sexual advances or requests for sexual favors directed toward the student, or of a sexual nature that are directed toward the student or that have the effect of unreasonably interfering with a student’s educational performance, or of creating an intimidating or hostile educational environment. “Sexual conduct” does not include touching or other physical contact that is necessitated by the nature of the school employee’s job duties or by the services required to be provided by the contractor, agent or volunteer, and for which there is no sexual intent; verbal, written or electronic communications that are provided as part of an education program that meets state educational standards or a policy approved by the Board; or conduct or communications described in the definition of sexual conduct herein if the school employee, contractor, agent or volunteer is also a student and the conduct or communications arise out of a consensual relationship between students, do not create an intimidating or hostile educational environment and are not prohibited by law, any policies of the district or any applicable employment agreements.

“Student” means any person who is in any grade from prekindergarten through grade 12 or 21 years of age or younger and receiving educational or related services from the district that is not a post-secondary institution of education, or who was previously known as a student by the person engaging in sexual conduct and who left school or graduated from high school within 90 days prior to the sexual conduct.

The district will post in each school building the names and contact information of the employees designated for the respective school buildings to receive reports of suspected sexual conduct and the procedures the designee will follow upon receipt of the report.

Any district employee, contractor, agent or volunteer who has reasonable cause to believe that a student has been subjected to sexual conduct by another district employee, contractor, agent or volunteer, or that

¹ “Contractor” means a person providing services to the district under a contract in a manner that requires the person to have direct, unsupervised contact with students.

² “Agent” means a person acting as an agent for the district in a manner that requires the person to have direct, unsupervised contact with students.

³ “Volunteer” means a person acting as a volunteer for the district in a manner that requires the person to have direct, unsupervised contact with students.

another district employee, contractor, agent or volunteer has engaged in sexual conduct with a student shall immediately report such suspected sexual conduct to the designated licensed administrator or the alternate designated licensed administrator, in the event the designated administrator is the suspected perpetrator, for their school building. If the conduct also constitutes child abuse, the employee must make mandatory reports in accordance with Board policy JHFE/GBNAB – Suspected Abuse of a Child Reporting Requirements.

If the superintendent is the alleged perpetrator the report shall be submitted to the Human Resources Coordinator who shall report the suspected sexual conduct to the Board chair.

If an employee fails to report suspected sexual conduct or fails to maintain confidentiality of records, the employee will be disciplined up to and including dismissal.

When a designated licensed administrator receives a report of suspected sexual conduct by a district employee, contractor, agent or volunteer, the administrator will follow procedures established by the district and set forth in the district’s administrative regulation JHFF/GBNAA-AR - Suspected Sexual Conduct Report Procedures and Form. All such reports will be reported to the Oregon Department of Education (ODE) or Teacher Standards and Practices Commission (TSPC) in accordance with such administrative regulation. The agency receiving a report will complete an investigation regardless of any changes in the relationship or duties of the person who is the alleged perpetrator.

When there is reasonable cause to support the report, a district employee suspected of sexual conduct shall be placed on paid administrative leave pending an investigation and the district will take necessary actions to ensure the student’s safety.

When there is reasonable cause to support the report, a district contractor, agent or volunteer suspected of sexual conduct shall be removed from providing services to the district and the district will take necessary actions to ensure the student’s safety.

The district will notify, as allowed by state and federal law, the person who was subjected to the suspected sexual conduct about any actions taken by the district as a result of the report.

A district employee, contractor or agent will not assist another district employee, contractor or agent in obtaining a new job if the individual knows, or has reasonable cause to believe the district employee, contractor or agent engaged in sexual conduct. Nothing in this policy prevents the district from disclosing information required by law or providing the routine transmission of administrative and personnel files pursuant to law.

The initiation of a report in good faith about suspected sexual conduct may not adversely affect any terms or conditions of employment or the work environment of the person who initiated the report or who may have been subject to sexual conduct. If a student initiates a report of suspected sexual conduct by a district employee, contractor, agent or volunteer in good faith, the student will not be disciplined by the district or any district employee, contractor, agent or volunteer.

The district will provide to employees at the time of hire, or to a contractor, agent or volunteer at the time of beginning service for the district, the following:

- I. A description of conduct that may constitute sexual conduct;

Sexual Conduct Complaint Form

The district posts in each school building the names and contact information of the district employees designated for the respective school building to receive reports of suspected sexual conduct and the procedures the designee(s) will follow upon receipt of the report.

When a designated licensed administrator¹ receives a report of suspected sexual conduct that may have been committed by a commission licensee², the designee shall notify Teacher Standards and Practices Commission (TSPC). The designee shall notify the Oregon Department of Education (ODE) if the administrator receives a report of suspected sexual conduct that may have been committed by a school employee, contractor, agent or volunteer that is not a commission licensee.

If the superintendent is the alleged perpetrator the report shall be submitted to the Title IX Coordinator who shall refer the report to the Board chair.

The district will investigate all reports of suspected sexual conduct, unless otherwise requested by TSPC or ODE as appropriate.

When the designee receives a report of suspected sexual conduct by a district employee, and there is reasonable cause to support the report, the district shall place the district employee on paid administrative leave³ and take necessary actions to ensure the student's safety. The employee shall remain on leave until TSPC⁴ or ODE⁵ determines that the report is substantiated and the district takes appropriate employment action against the employee, or cannot be substantiated or is not a report of sexual conduct and the district determines either: 1) an employment policy was violated and the district will take appropriate employment action against the employee; or 2) an employment policy has not been violated and an employment action against the employee is not required.

When the designee receives a report of suspected sexual conduct by a contractor, an agent or a volunteer, the district shall prohibit the contractor, agent or volunteer from providing services to the district. If the district determines there is reasonable cause to support a report of suspected sexual conduct, the district

¹ A "licensed administrator" is a person employed as an administrator by the district and holds an administrative license issued by TSPC or may be a person employed by the district that does not hold an administrative license issued by TSPC if the district does not require the administrator to be licensed by TSPC.

² "Commission licensee," as is defined in ORS 342.120 (as amended by HB 2136 (2021)), means a person whom the TSPC has authority to investigate or discipline because the person is enrolled in an approved educator preparation program, is an applicant for a TSPC license or registration, holds a license or registration issued by TSPC, or has held a license or registration issued by the TSPC at any time during the previous five years.

³ The district employee cannot be required to use any accrued leave during the imposed paid administrative leave.

⁴ TSPC investigates reports on commission licensees.

⁵ ODE investigates reports on persons who are not commission licensees.

shall prohibit the contractor, agent or volunteer from providing services. The district may reinstate the contractor, agent or volunteer, and such reinstatement may not occur until such time as a report of suspected sexual conduct has been investigated and a determination has been made by TSPC or ODE, as appropriate, that the report is unsubstantiated.

Upon request from ODE or TSPC the district will provide requested documents or materials to the extent allowed by state and federal law.

The name, address and other identifying information about the employee who made the report are confidential and are not accessible for public inspection.

An “investigation” means a detailed inquiry into the factual allegations of a report of suspected sexual conduct that is based on interviews with the person who initiated the report, the person who may have been subjected to sexual conduct, witnesses and the person who is the subject of the report, and results in a finding that the report is a substantiated report, cannot be substantiated, or is not a report of sexual conduct. If the subject of the report is a district employee represented by a contract or a collective bargaining agreement, the investigation must meet any negotiated standards of such employment contract or agreement.

Nothing prevents the district from conducting its own investigation, unless another agency requests to lead the investigation or requests the district to suspend their investigation, or taking an employment action based on information available to the district before an investigation conducted by another agency is completed. The district will cooperate with agencies assigned to conduct such investigations.

A “substantiated report” means a report of sexual conduct that TSPC or ODE determines is founded.

If, following the investigation, the district decides to take an employment action, the district will inform the district employee of the employment action to be taken and provide information about the appropriate appeal process. The employee may appeal the employment action taken through an appeal process administered by a neutral third party.

If the district is notified that the employee decided not to appeal the employment action or if the determination of an appeal sustained the employment action, the district shall create a record of the findings of the substantiated report and the employment action taken by the district will be placed in the records on the school employee maintained by the district. Such records created are confidential and not public records as defined in Oregon Revised Statute (ORS) 192.311, however the district may use the record as a basis for providing information required to be disclosed about a district employee under ORS 339.378(1). The district will notify the employee that information about substantiated reports may be disclosed to a potential employer.

Training

The district shall provide information and training each school year to district employees on the following:

1. Prevention and identification of sexual conduct;
2. Obligations of district employees under ORS 339.388 and 419B.005 - 419B.050 and under adopted board policies to report suspected sexual conduct; and
3. Appropriate electronic communications with students.

The district shall make available each school year the training described above to contractors, agents, volunteers and to parents and legal guardians of students attending district-operated schools, and will be made available separately from the training provided to district employees.

The district shall provide to contractors, agents and volunteers each school year information on the following:

1. Prevention and identification of sexual conduct;
2. Obligations of district employees under adopted board policies to report suspected sexual conduct; and
3. Appropriate electronic communications with students.

The district shall make available each school year training that is designed to prevent sexual conduct to students attending district-operated schools.
