Parent Information Systems

We would like to inform you about two online information systems that are available to you.

	The portal allows you to access to the following information about your children: Attendance, Student Schedule, Immunizations, State Exams, Progress Reports and Report Cards (Grades 6 - 12 only). Step 1. Go to http://www.whiteplainspublicschools.org/k12portal Step 2. Select Login here Step 3. Click on Campus Parent  Step 4. Click on New User New User? Step 5. Type your Activation Key Number (below 32 letters and numbers) Step 6. You will be asked to create a username and password after you login.
	K12 Alerts® is a user-friendly, mass notification system for school and district-wide alerts. This system is used to send messages to your email and/or mobile phone. You may update your contact information, as well. First time users, create your account as follows: Step 1. Click on https://www.k12alerts.com/bluecard/login/whiteplains/ Step 2. Select Family Login  Step 3. Enter your Family ID Step 4. Password is k12alerts Step 5. You will be asked to change it after initial login

Please keep this information in a safe place.
