

Swim Lesson Policies

- According to the facility rules, parents must remain in the pool facility when your child is 10 years of age or younger. Please note that the facility rules are always enforced and available in the pool schedule.
- Before each class, a cleansing shower is required.
- Parents will not be admitted to the pool deck during lessons; please use the Spectator Seating.
- Make-up classes for missed lessons are not available.
- Lessons cancelled due to a facility closure for situations out of the district's control may not be made up.
- Cancelling a lesson after the first lesson without a written physician's explanation of injury or illness, will result in you forfeiting the lesson fee. Please contact the Aquatics Program Supervisor if necessary.
- Approved refunds will require an administrative fee of \$5.00.
- Registration will close three days prior to lessons beginning for administrative purposes. If you want to cancel a lesson during those three days you will be charged an administrative fee of \$5.00.
- Due to the high demand for lessons, we do not prorate any classes.
- We encourage the use of goggles for Levels 3 to 6 only. Children in Pre School levels 1 to 3 and Learn to Swim levels 1 and 2 are encouraged to learn to open their eyes underwater without goggles initially.
- Face masks are not encouraged for lessons as they cover the nose and don't allow children to learn breath control. They also often are so large that they inhibit body movements for best body position.
- It is not uncommon for participants to repeat levels multiple times.
- Skills take time to learn, therefore, patience and encouragement on parents part is necessary.
- To choose accurate levels speak with instructors for guidance, check Booklet information, or call pool for assistance prior to day of sign ups.
- **If you sign up for the incorrect level, there is no guarantee there will be space in the correct level.**
