The Tracy Unified School District has decided to participate in the California Summer Assistance Program for classified employees in the 2023/2024 school year. The State has set aside funds in order to provide participating classified employees with up to one dollar (\$1) for each one dollar (\$1) that the classified employee elects to have withheld from his or her monthly paychecks (up to 10% of his/her salary).

Please note that depending on the number of participating classified employees in this program, neither the District nor the employee may receive the full dollar for dollar match. The Tracy Unified School District will post the estimate of the match funds on its website no later than June 1, 2023, assuming the projected May 1, 2023, deadline for CDE notification to TUSD is met.

To be eligible for the program you must work fewer than 11 months per year, must have worked for the TUSD for at least one year at the time you elect to participate in the program (i.e., one year prior to March 1, 2023), and your regular annual pay (excluding extended session pay) is \$62,400.00 or less.

If you have questions, please contact Tania Salinas, Associate Superintendent for Business Services.
