March 2018

The Sayreville Board of Education congratulates the following staff, students, and community members who are at the

Head of the Class

EISENHOWER ELEMENTARY SCHOOL MRS. EDITH BRAUN

The Eisenhower Elementary School practiced giving back and celebrated the Super Bowl at the same time. Students brought in cans for the Annual Soup-er Bowl, led by the school nurse, Mrs. Edith Braun. The students were encouraged to bring in a can of soup and place it in the bin of the team that they believed would win the title. After the Super Bowl, the cans were donated to the Middlesex County Food Bank. In the end, everyone was a winner!

WILSON SCHOOL PEER MEDIATION WILSON SCHOOL PTO

Each year, the Wilson Elementary School celebrates their Peer Mediation Organization which consists of a group of students that completed a rigorous two-day training in conflict resolution, peer mediation and problem-solving skills. We also want to thank the Wilson School PTO for their support, donations, and for providing shirts for each student involved.

RACHEL CHANOWICH

Congratulations to Rachel Chanowich who received recognition for two of her art pieces from the annual Scholastic Art Awards. Rachel's Jewelry and Advanced Art projects were among over 4,200 submissions entered. The Scholastic Art and Writing Awards is considered the most competitive and prestigious art competition for high school students in the country. Rachel's jewelry design garnered a "Gold Key Award" and will be included in an exhibition at the Montclair Art Museum. Her tunnel book received an Honorable Mention. The Gold Key Exhibition Dates are February 15 – March 25, 2017, and the Montclair Art Museum is located at 3 South Mountain Avenue, Montclair, New Jersey.

MR. JARRETT LAMPKIN MS. ANTONIETTA BASILE

The Opportunity Room is up and running very successfully at the Sayreville Middle School. Mr. Jarrett Lampkin and Ms. Antonietta Basile organized and trained the Peer Tutors, who will work with students in this location. It will give a space where students have the "opportunity" to work on content area projects, homework and assignments to promote their academic achievement. Students have access to supplies, computers and peers who can support learning. This is supervised by Mr. Lampkin during

8th grade lunch so that our 8th graders can spend time there productively.

MS. ERIN HILL BUSINESS OFFICE TEAM

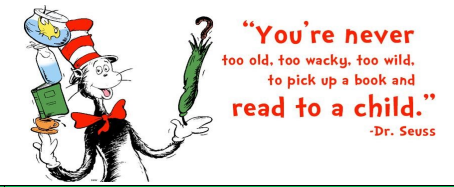

Congratulations and special thanks to the business office team for yet another outstanding audit with an unqualified opinion. An "unqualified opinion" in audit standards means that the district's financials area appropriately represented with no material adjustments required and is the highest opinion an audit can receive.
