

Student Parking

Parking is by permit only, and only in those lots designated for student parking on the student's home campus. Students are not permitted to sit in vehicles parked on or adjoining school grounds at any time. Students are not allowed in the parking lot during the school day without administrative approval.

Students may drive to school and park in the designated student parking lot provided the driver:

Agrees to participate in the district random drug testing program;

Has a valid Texas driver's license and student I.D.; can provide proof of insurance on the vehicle; and has no outstanding fees or fines from the previous year.

Drivers meeting these requirements are eligible to buy a parking permit. Parking permit fees are not pro-rated or refunded upon withdrawal from school. Lost permits must be replaced at full price.

Each permit is issued to an individual student and must be clearly displayed on the vehicle. The student is responsible for any situations that arise from a vehicle displaying his/her permit.

Vehicles without a permit are subject to having a wheel clamp (boot) applied to the left-front wheel. A fee will be charged to remove the wheel clamp. Any attempt by the student to remove a wheel clamp will be considered vandalism to district property. The District is not responsible for any damage that results from any attempt to drive a vehicle with a wheel clamp attached.
