

201 LEGAL STATUS OF THE SCHOOL BOARD

I. PURPOSE

The care, management and control of the schools is vested by statutory and constitutional authority in the school board. The school board shall carry out the mission of the school district with diligence, prudence, and dedication to the ideals of providing the finest public education. The purpose of this policy is to define the authority, duties and powers of the school board in carrying out its mission.

II. GENERAL STATEMENT OF POLICY

- A. The school board is the governing body of the school district. As such, the school board has responsibility for the care, management, and control over public schools in the school district.
- B. Generally, elected members of the school board have binding authority only when acting as a school board legally in session, except where specific authority is provided to school board members or officers individually. Generally, the school board is not bound by an action or statement on the part of an individual school board member unless the action is specifically directed or authorized by the school board.

III. DEFINITION

“School board” means the governing body of the school district.

IV. ORGANIZATION AND MEMBERSHIP

- A. The membership of the school board consists of seven elected directors. The term of office is four years.
- B. There may be other ex officio members of the school board as provided by law. The superintendent is an ex officio member.
- C. A majority of voting members constitutes a quorum. The act of the majority of a quorum is the act of the school board.

V. POWERS AND DUTIES

- A. The school board has powers and duties specified by statute. The school board's authority includes implied powers in addition to specific powers granted by the legislature.
- B. The school board exercises administrative function. It also has certain powers of a legislative character and other powers of a quasi-judicial character.
- C. The school board shall superintend and manage the schools of the school district; adopt rules for their organization, government, and instruction; provide oversight of instructional resources consistent with Minnesota state standards and the District Curriculum Advisory Committee (DCAC); develop policies; and make and authorize contracts.
- D. The school board shall have the general charge of the business of the school district, its facilities and property, and of the interest of the schools.
- E. The school board, among other duties, shall perform the following in accordance with applicable law:
 - 1. provide by levy of tax, necessary funds for the conduct of schools, the payment of indebtedness, and all proper expenses of the school district;
 - 2. conduct the business of the schools and pay indebtedness and proper expenses;
 - 3. employ and contract with necessary qualified teachers and discharge the same for cause;
