Covid-19 on site testing can no longer be provided
Yesterday, the Vermont State School Nurse Association
(VSSNA) verified that administering diagnostic tests (including
Covid-19) without a medical provider's order is outside the
scope of practice of school nurses.

So, I will no longer be able to administer testing at school.

Rapid tests will still be available to take home

Since I only have a finite supply, the tests will be limited to
those with symptoms.

KEEPING CES HEALTHY

If your child is sick please keep them home.

The CES "sick kids stay home criteria" is:

fever within the last 24 hours

significant cold symptoms including a cough and runny nose

Any kind of rash

Antibiotics within the last 24 hours

If your child has a mild residual cough, it is helpful to all if they wear a mask

Masking is not required but we support anyone that chooses to wear one to protect themselves or others

if your child has Covid like symptoms, testing can prevent transmission to others

If they test positive, isolation for at least 5 days is required.

Notify the school. We are still required to report cases to the Department of Health

Day 0 is the first day of symptoms or positive test, whichever happens first

Isolation can end after day 5 if fever free for 24 hours without fever reducing medication and feeling better.

It is highly recommended to mask through day 10.

Please notify the school if your child has Covid-19.

Interested in a Covid vaccine for your child?

The weather is getting colder.... soccer season is coming to a close.... there is no better time than NOW to start training taekwondo!

Cambridge Martial Arts Academy (CMAA) is an independent school training in the traditional Korean martial art of taekwondo. CMAA promotes self-esteem, self-confidence, character development and provides students a physical outlet in an educational and controlled environment.

Candy Donations Needed

October is here and Halloween is just around the corner! Halloween in Jeffersonville is really a special event and is a great evening of outdoor family fun.

The residents of Jeffersonville village welcome an enormous number of trick-or-treaters each year and there is a way that all of us can help lighten the burden for our neighbors. Collection boxes are in the CES lobby, the Union Bank, and Hanley's again this year. Donated candy will be distributed to anyone in the village who requests it. If all of us who enjoy this great tradition contribute what we can, we can keep those porch lights on!
