

21ST CENTURY LEARNING
ENVIRONMENT FOR OUR STUDENTS

NEWMAN

MESSAGE • FROM • MIKE • MARTIN

Good Things are Coming!

As we report out the 2016-2017 year, Newman Catholic Schools (NCS) finds itself in a period of great excitement and anticipation. In last year's message from the President, a challenge was set forth to establish Newman Catholic Schools as the Best Catholic School System in North America. The system can proudly say that it is steadily moving toward meeting that goal.

President
Michael Martin

Step one was to receive reaccreditation status through AdvancED; which the system has achieved through June 30, 2021 when evaluation will again occur. In the report out by AdvancED, NCS was directed to address five areas of concern, the most important being the development of a strategic plan.

To fulfill the need for a strategic plan, NCS has contracted with Partners in Mission (PIM), the leading professional services firm engaged in advancing the mission of Catholic education. PIM will assist with the collaboration required to develop a strategic plan, to help us grow enrollments and continue the ministry and mission of delivering Catholic education. The PIM Strategic Planning Process is a mission driven, collaborative and participative method that develops the institution's goal statements and preliminary objectives through analysis of the school's present and future environment. The process takes into consideration major resources available to the school system, both human and financial.

Over the summer, the NCS Executive Committee will cultivate key members needed to lead the efforts focused on the following areas or domains:

- Mission / Catholic Identity
- Ownership / Governance / Administration
- Relationship to larger community
- Facilities
- Enrollment
- Program / Curriculum / Technology
- Finance
- Advancement / Communications
- Alumni Relations
- Staffing

As we enter our 134th year of delivering the ministry of Catholic Education, please give serious consideration to joining the strategic planning efforts. Your contribution of time and talent in this process is a crucial step in fostering collaborative development. Collaboration must include parishes, parents, teachers, administrators, and friends of Newman to ensure we continue to march as one community toward excellence in faith formation and Catholic education.

Yours in Christ,

A handwritten signature in black ink, appearing to read "Michael Martin".

MESSAGE • DEAN'S • DELEGATE

Education in a Catholic environment reflects the identity of Newman Catholic Schools and reminds the People of God that the imitation of the risen Christ Jesus extends beyond "parochial boundaries." It is education, catechesis and the cultivation of a believer's friendship with God that provide the foundation to choose and make moral decisions that provide for the common good. Is not the common good the focus of the ministry of Jesus according to the inspired testimony of the gospel communities? We read that Niche.com has ranked Newman Catholic High School among the top 10 private Catholic high schools in Wisconsin, ninth among the best Catholic High Schools in Wisconsin and eighth among the best Private K-12 Schools in Wisconsin. Wonderful, but let us not rest in the dynamic creation of God.

Thank you for your participation, support, time, talent and vision that have and will carry us into the future.

A handwritten signature in black ink, appearing to read "Allan Slowiak".

Very Rev. Allan Slowiak, Dean's Delegate

Our Mission Statement

Newman Catholic Schools provide excellence in education in a Catholic environment and enhance the personal and spiritual growth of our students to meet life's challenges.

SCHOLARSHIPS

Newman Catholic Schools is blessed by the support of many parishes, organizations, foundations, friends and alumni who choose to establish scholarships to assist students in funding their education. During the 2016-2017 school year, \$91,310 in scholarships was awarded to students from all grade levels. Scholarships are awarded by a committee selection process.

Newman Catholic Schools Scholarships

We would like to extend special thanks to the families and friends who donated to the following memorial scholarships which benefit students attending Newman Catholic Schools.

Christopher Wallschlaeger Memorial
Eugene & Jean Raphoon Memorial
Frank & Johanna Liszewski Memorial
Fred Wakeman Memorial
Glen Mroczenski Memorial
Harold & Ruth Tessmer Memorial
Jack Spencer Memorial
Josephine Myszka Memorial
Katie Kennedy Memorial
Lucille & George Ferguson Memorial

ICARE GRANTS

“Teachers have three loves: love of learning, love of learners, and the love of bringing the first two loves together” - Scott Hayden

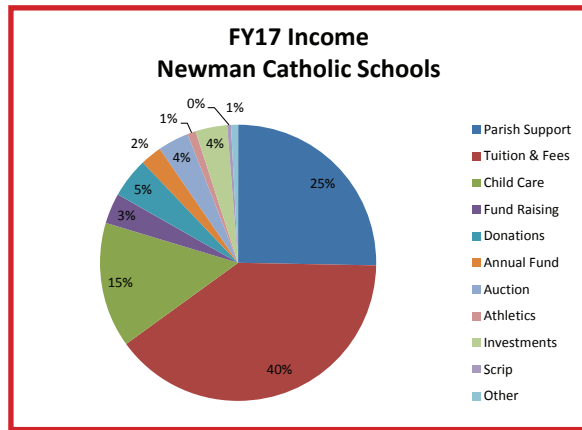

The teachers of Newman Catholic Schools are the backbone of the system; they choose to share their faith and wisdom with the future leaders of our Catholic community. To become a teacher is to choose a career filled with passion. Passion for the knowledge they have to share and passion for the students they lead. The love and dedication teachers show their students is evident through the personal sacrifices they make. It is not a rare occurrence to witness a teacher personally funding needs for their classroom and students, or covering expenses for professional development. Their sacrifices were the driving force behind development of the ICare Grants in 2014. The grants became available as an offering of assistance to help fund professional development needs.

The grants are fully funded through donations raised during the fund-a-need portion of the Winter Wonderland benefit auction. In 2014, the first ICare Grant push raised a remarkable \$35,000. The funds helped fulfill teachers’ development needs for two years, through the end of the 2015-2016 school year. Exhaustion of the funds called for a renewal of the fundraising efforts; fulfilled during the 2016 auction when a staggering \$50,000 was raised in support of the teachers.

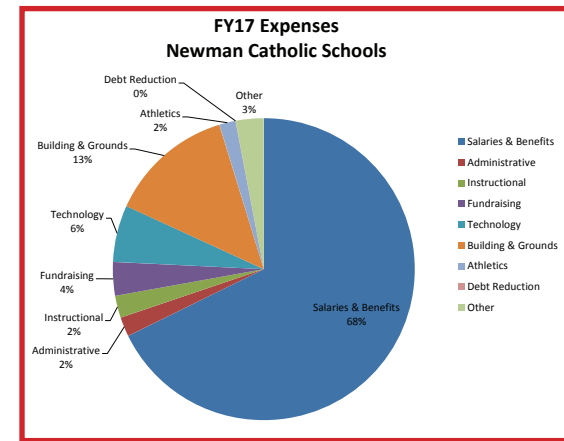

Thank you to the alumni, parents, and friends of Newman who generously gave in support of the teachers of Newman Catholic Schools.

STATE • OF • NCS

FY 17 Income - Newman Catholic Schools

FY 17 Expenses - Newman Catholic Schools

Annual Fund

Why support the Annual Fund Drive? What does your donation fund?

Funds raised support the operating budget and help offset the \$2,800 gap between tuition rates and the true cost of educating a child. True costs are based on the costs associated with system operations; compensations, curriculum, facility maintenance, safety and security, etc. Donations made to the system support operations and help maintain tuition rates.

Through the selfless donations made by many, Newman Catholic Schools wrapped up the 2016-2017 Annual Fund Drive hitting the 77% mark of the \$200,000 goal. The \$154,136 raised is cause for celebration as it shows the generosity of current and past parents, grandparents, alumni, faculty and staff, corporations, and friends in the community.

Thank you to all of the donors for supporting the Annual Fund Drive!

How to Donate

Newman Catholic Schools relies on the support of its generous benefactors; individuals who choose to help the system succeed in the mission of providing excellence in education in a Catholic environment. Please consider making a donation in support of the students, faculty and staff of NCS. There are many ways to donate:

- School/system fundraisers
- In-kind donations
- Adopt a specific department or initiative
- Annual Fund Drive
- Scholarships and Tuition Assistance Program
- Employee Match Program
- Stock Sales
- Planned Giving – Estate or Trust Planning
- NCS Endowment Fund – capital and operating costs

Donations to NCS are tax deductible. Reach out to the Advancement Department for more information, 715-842-4805 or skeene@newmancatholicschools.com.

Income and Expenses

Income:

At the close of the 2017 fiscal year, the system continues to have four primary income sources; tuition and fees, parish support, child care, and Advancement respectively. Child care consists of the income earned from enrollment of the six week – 4K programs. Our youngest programs continue to enjoy the strongest growth rates and act as a feeder into the elementary schools. Advancement contributions focus on all fundraising efforts, both system wide and site/club specific, monetary and in-kind donations, and estate gifts.

Expenses:

As witnessed in the accompanying graph, the greatest expense continues to be salaries and benefits at 68% with the remaining 32% spread evenly over all other operating expense categories. Having strong revenue streams is not enough if the system does not act as good stewards of its resources. Through continued analysis and streamlining of processes, NCS avoids overspending and maintains profitability.

Welcome Back to School!

WE SHALL DO HIS WORK...we shall take the first steps of the 2017-2018 school year with this simple, yet meaningful statement as our guide. The Newman family will come together in celebration of the roles they play in being witness to the Gospel and sharing of God's message. How will we grow in our faith and share the knowledge we gain? How will we be of service to others? Let us each embrace our role as leader, educator, friend and member of the Catholic community.

Enjoy the next year of your education journey. If you have any questions, please reach out to your school's administration team or to the NCS Central Office at 715-848-5735.

To all new families, welcome to the Newman Catholic Schools family!

We Shall Do His Work

ACADEMIC • LEARNERS

Each school year brings the challenge of creating unique educational experiences designed to engage and empower students to think outside the proverbial box. The 2016-2017 school year did not disappoint as could be witnessed with a walk down the hallway:

- NCES: St. Mark: embracing history through the creation of medieval castles and designing a unique license plate as part of their state report.
- NCES: St. Anne: the halls were decorated with models of the solar system and Wisconsin themed dioramas.
- NCMS: research paper and presentation on a historical figure.
- NCHS: Physics students built trebuchets to learn about projectile motion.

		Catholic Schools Week				

CATHOLIC • SCHOOLS • WEEK

Newman Catholic Schools will come together in celebration of Catholic Schools Week January 28 through February 3, 2018. During the week, students, faculty and staff will come together to celebrate the theme, "Catholic Schools: Learn. Serve. Lead. Succeed." The new theme reminds us of our responsibility to take charge of our faith education; we are to embrace the knowledge offered, selflessly serve those in need, be a leader within our faith community and strive to succeed. Throughout the week, students will celebrate in prayer, through service projects, and activities that strengthen their faith. Activities will focus on the following themes:

- Sunday – Celebrating Your Parish
- Monday – Celebrating Your Community
- Tuesday – Celebrating Your Students
- Wednesday – Celebrating the Nation
- Thursday – Celebrating Vocations
- Friday – Celebrating Faculty, Staff and Volunteers
- Saturday - Celebrating Families

The culmination of the week occurs on Thursday, February 1, 2018, when all NCS students come together to celebrate the Sacrament of the Eucharist together. All are invited to celebrate with our Newman Family.

COSTA • RICA AROUND • THE • WORLD

This past spring break, six Newman Catholic High School students traveled to Costa Rica, with their Spanish teacher, Laura Place. They spent nine days in the exotic country, exploring the culture and practicing their Spanish skills. While there, the girls and their teacher got to experience and travel to truly beautiful sites. They got to see wildlife including many birds, Capuchin monkeys, and even a couple sloths which truly excited them. They were assigned a tour guide through ACIS, an educational travel agency, and learned many new things about the culture of Costa Rica with his help and love for the country. They went on wonderful excursions while learning more about the awe-inspiring country. Some of these excursions included white water rafting down the Sarapiquí River, horseback riding alongside the beach, relaxing in hot springs produced by the Arenal Volcano, zip lining through the rain forest, a wildlife boat tour, and also swimming in the ocean and spending time at the beach. Also while there, they spent half a day volunteering at a local school by painting a mural, gardening, and working on landscaping. The experiences these students and their teacher had while in Costa Rica were truly one of a kind. The memories and educational value this trip offered, allowed the students to grow and learn about other cultures and the greatness and beauty our world truly possesses.

RETIREMENT

ACCOLADES

Congratulations to Dev Quandt and Roxy Betchwars

Devery Quandt

Mr. Quandt's journey with Newman began in 1973 when he accepted a position with St. Anne Catholic School as the 7th and 8th grade Science and Religion teacher. Educating students in the areas of Science and Religion became his passion and legacy.

In 1986 Mr. Quandt accepted the role of Principal at St. Anne Catholic School, a position he held until 1991 when he moved into the Principal position at St. Matthew Catholic Middle School. Mr. Quandt remained Principal at St. Matthew until choosing to return to the classroom in 1996. For the next 20 years, he taught both Science and Religion at the middle school level.

Mr. Quandt finds great joy in sharing his faith and helping students understand and strengthen their own relationships with God. He helped develop and lead spiritual retreats and created the Day in Nazareth project designed to educate students on 1st century culture. Mr. Quandt has a servant's heart, believing strongly in the power of service; a personal philosophy that he shared with his students. He emphasized the importance of community outreach and encouraged students to seek out service opportunities.

After 44 years of dedication to the students and families of NCS, Mr. Quandt begins a new journey. The Newman family wants to thank him for the love and passion he brought to the classroom and wishes him all the best in his retirement.

Roxy Betchwars

During the Diocesan Spring Inservice on Friday, April 28, 2017, Mrs. Roxanne Betchwars was awarded the honor of Middle School Teacher of the Year!

The honor could not have been bestowed upon a more deserving teacher and is testament to her successful career as an educator. Mrs. Betchwars has dedicated 24 years of service to Newman Catholic Schools. A career in which she has offered an innovative education experience challenging and empowering students to succeed.

When nominated, these words were offered to give witness to the amazing career she has had:

"Roxy Betchwars is a consummate provider of the love, acceptance, realistic standards, and direction that stimulates and sustains students in their quest to become more accomplished learners, able to live out their faith and beliefs in a conducive and supportive environment. From advice to life lessons, knowledgeable teaching to motherly care, Roxy's students gravitate toward her for all of their needs. Her relationships with them are based upon mutual respect, heart-felt love, Catholic morals, and true devotion that have made her a "favorite" teacher for all students who pass through her classroom. She has been a pillar of faith, devoted educator, and life-long steward of Catholic education at Newman Catholic Middle School."

St. Anne Parish - Wausau
Rev. Al Burkhardt & Rev. Nate Kuhn, NCHS Chaplain

Thank You for Your Generous Support

St. Matthew & Holy Name of Jesus Parishes - Wausau
Rev. Robert Thorn & Rev. Peter Kieffer, NCMS Chaplain

Newman Catholic Schools' mission, to provide excellence in education in a Catholic environment, could not be fulfilled without the guidance of our pastoral leadership and our larger parish family. NCS is blessed to have a strong group of faith leaders who selflessly give of their time to attend system meetings and help shape Newman's future.

The students, families, faculty and staff of NCS would like to say thank you for the love and dedication given to us by our Catholic community. Thank you for ensuring a Catholic education continues to be an option for our youth; that they continue to have the choice of receiving an education embraced in their Catholic faith. Your belief in the Newman Catholic Schools' mission is a blessing.

St. Michael & Church of the Resurrection Parishes - Wausau
Rev. Msgr. Mark Pierce

St. Mark Parish - Schofield
Very Rev. Allan Slowiak

St. Therese Parish - Rothschild
Rev. Louis Britto

Thank You to the additional Parishes of: St. Agnes, Nativity of the Blessed Virgin Mary and St. Paul for their support.

Thank You to our 2016 Winter Wonderland Sponsors!

When Newman's benefit auction began in 1987, no one could have predicted twenty-nine years of fundraising success; twenty-nine years of helping fulfill the mission of providing excellence in Catholic education. During this remarkable tenure, the Newman family has proven time and time again that they will do whatever it takes to support the students, faculty and staff of Newman Catholic Schools. Winter Wonderland is only a success because of the generosity of many; generosity of time, item donation and financial support.

Thank you to the many volunteers who gave of their time in support of the auction; it takes over 75 volunteers to help with donation acquisitions, set up and tear down, selling raffle tickets, and working the night of the event.

The generosity shown at the 2016 auction ensured another successful year with a gross total of \$220,700 being raised, 110% of the goal. Profits from the auction go to support the operating budget and help bridge the gap between tuition costs and the true costs of educating each student. Of the funds raised, \$50,000 was donated directly to the Fund-A-Need initiative to help fund the I Care Grant program. The I Care Grant program was designed to support teachers through the funding of professional development and continuing education needs.

Special thanks must go out to the 2016 event sponsors. Newman Catholic Schools is lucky to have the support of so many local businesses and the love of a community devoted to the education of its youth.

**SAVE THE DATE - 30TH ANNIVERSARY
NOVEMBER 4, 2017**

ANNUAL • APPEAL

Newman Catholic Schools continues to grow stronger and more highly regarded every year, thanks to the support we receive from parents, past parents, grandparents, alumni, parishioners, faculty, staff and our business community. It is impossible to name the countless ways our supporters give – in both small and large ways that have an enormous and lasting impact. Funding for NCS comes from four major sources:

**Tuition/Fees ~ Parish Investment ~ Donations
Fundraising & Miscellaneous**

Tuition and parish support account for the majority of income to the school system, however, additional fund-raising efforts are necessary because these revenues alone do not cover the full cost of each student's education. Currently a deficit of almost **\$2,800** per student exists. The Annual Fund Drive raises donations to bridge this gap.

Giving back to the Annual Fund Drive means that you are ensuring Newman Catholic Schools achieves its shared mission.
