NEWMAN

MESSAGE • FROM • MIKE • MARTIN

Within the last annual report message, “Good Things Are Coming”, the system’s accreditation success and desire to partner with a Catholic organization to commence strategic planning were highlighted. As we greet a new year, it is with excitement that we share updates on these goals and positive moves that benefit the entire system as we move forward to becoming the Best Catholic School System in North America.

In partnership with Partners in Mission, the strategic planning process has begun. During the past year, the executive steering committee and domain committees met to gather pertinent information to aid in developing narratives focused on strengths and opportunities for growth. The narratives offer insight into next steps for improvement to be used at the Strategic Planning retreat to be held this fall. All stakeholders are welcome to participate in the retreat to help move the strategic planning process forward.

Strengthening of our students’ faith education continues to be a priority. It is with this goal in mind that we share of the decision to expand the role of the middle and high school Campus Minister to a full-time position. Increased focus ensures students have a greater opportunity to know Christ, expand outreach and strengthen parish relationships. We are pleased to welcome Mr. Steve Martin as the new Campus Minister.

Excellence in Catholic education was the driving force behind the creation of the Chief Academic Officer (CAO) position. We welcome Ms. Amy Mettlach who will assist with leadership, oversight and guidance of systematic, intentional and continuous improvement in student achievement and learning. The CAO will oversee instructional programming, Preschool through grade 12, ensuring students experience continuity, consistency and academic rigor.

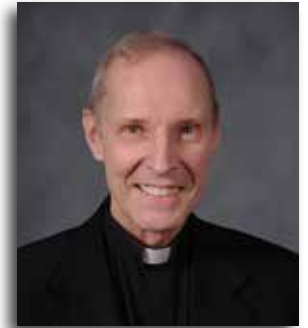

Please give serious consideration to joining the strategic planning efforts. Your contribution of in this process is a crucial step in fostering collaborative development. Collaboration ensures NCS continues to march as one community toward excellence in faith formation and Catholic education.

MESSAGE • DEAN’S • DELEGATE

“The Times They Are a-Changin’” was a song first written and recorded in 1963. Now, years later, the times are still changing. Political, cultural and economic changes continue. Some of the changes have been good and some have not. The changes in educational pedagogy and curriculum are noticeable. Some are good; others not. The sexual revolution that occurred when the lyrics of the song were written was just a snowball in comparison to the avalanche of change in attitudes regarding gender, marriage and personal identity issues of today.

The Catholic Church has faced its share of changes. Some changes have been good and others not. One thing, however, that has not changed is the message of Jesus that has been handed on to us. While the method of communicating the truths of the Catholic faith may adapt over time, the message of Jesus remains clear and unchanging. The Letter to the Hebrews (13:8) reminds us: “Jesus Christ is the same yesterday and today and forever.”

Those who want to offer a solid Catholic education will do their part to proclaim the message of Jesus. The Newman Catholic School system addresses that desire. The theme of this year, “Gathering witnesses for Jesus,” gives all of us an opportunity to think about how we might give witness to the truths of our Catholic faith. Let’s hope and pray that the message which NCS proclaims will help to bring a message of constancy to a world that continues to change.

THANK YOU

During the 2017-2018 school year, Newman Catholic Schools received several donations that allowed for the establishment of two scholarships and showed support to well deserving programs. It is important that the support given to Newman by the family of Marilyn Spletter, the Paul & Ruth Schultz Foundation and the Class of 1987 be celebrated. Without their support, and the support of all Newman’s benefactors, the system would not succeed in its mission.

Marilyn Spletter Memorial Scholarship:

The Spletter family chose to honor their mother’s deep devotion to her faith and her belief in Catholic education by establishing a scholarship in her name. The award is designed to aid an 8th grade student in fulfilling their dream of continuing on to Newman Catholic High School. Marilyn would be honored to know that her legacy lives on with each scholarship awarded.

Paul & Ruth Schultz Scholarship:

Belief in the future, and a belief in the role that today’s youth play in creating a successful future, is the driving force behind the generosity shown by the Paul & Ruth Schultz Foundation. Many organizations and individuals within north central Wisconsin have benefited from the Foundation’s support, ensuring growth and success. For almost two decades, the Paul & Ruth Schultz Foundation have generously supported Newman Catholic Schools’ tuition assistance program, lessening the burden of tuition payments for many families. This year marked the first year that the Foundation’s support expanded to include the first Paul & Ruth Schultz Scholarship awarded to a student continuing their education within the Newman system.

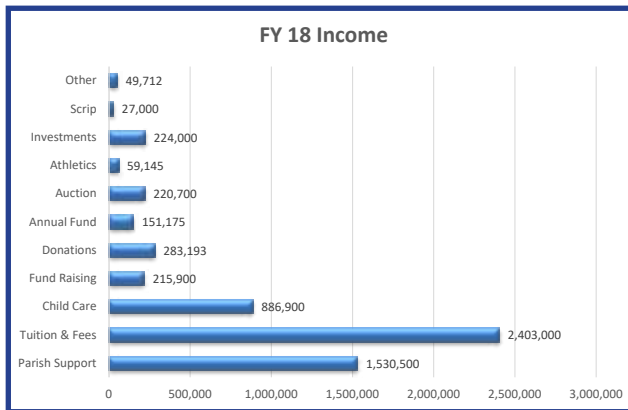

Class of 1987:

During their 30 year class reunion, this generous group of alumni challenged each other to give back to their alma mater by raising funds in support of two very deserving departments, Art and Family & Consumer Education (F.A.C.E.). The school was overwhelmed when they found out that the Class of 1987 raised \$1,290. The donation allows the teachers of these courses to replenish or replace necessary supplies and make much needed repairs to equipment. Newman Catholic Schools is truly blessed to have such generous alumni who continue to believe in the power of a Catholic education

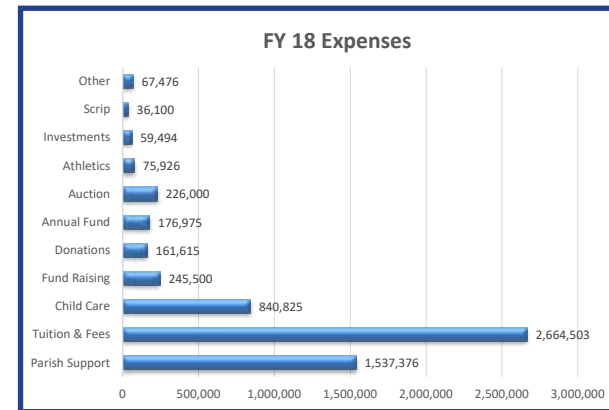

Thank you all for your support and belief in Newman Catholic Schools!

Annual Fund

\$251,000 Raised!
125% of the Goal Reached!

The 2017-2018 Annual Fund Drive was a phenomenal success thanks to Newman Catholic Schools' many benefactors. The funds raised directly support the general operating budget and help to offset the \$2,900 gap between tuition rates and true costs of education. It is not commonly known that tuition costs only cover approximately 70% of the funds needed to educate each child. This delta is based on variables associated with system operations; compensations, curriculum, facility maintenance, safety and security, etc. Bridging this gap makes reaching the fundraising goal crucial to the success of the system and the health of its finances.

Newman Catholic Schools would like to thank the current and past parents, grandparents, alumni, faculty and staff, corporations, and community partners for helping make this year's Annual Fund Drive a success. Thank you for continuing to support Catholic education and the families, students, faculty and staff of Newman Catholic Schools.

Consider Donating

When considering making a donation to Newman Catholic Schools, keep these three words in mind. Time...Talent...Resources. Can you give of yourself by volunteering your time? Do you have a particular talent, skill, or expertise that would benefit the school system? Would you like to offer financial support of perhaps items towards an event, department, class or school? There are many ways that you can show your support and help the system achieve its mission. Please consider showing your support when you...

- Volunteer at a school or event
- Support system fundraisers
- Make an in-kind donation of items
- Adopt a specific department or initiative
- Donate to the Annual Fund Drive
- Establish a scholarship
- Give to the Tuition Assistance Program
- Employee Match Program
- Make a stock sale
- Remember NCS when planning a trust
- Donate to the Endowment Fund

Donations to NCS are tax deductible. Reach out to the Advancement Department for more information, 715-842-4805 or skeene@newmancatholicschools.com.

Income and Expenses

Income:

At the close of the 2018 fiscal year, the system continues to have four primary income sources: tuition and fees, parish support, child care, and Advancement respectively. Child care consists of the income earned from enrollment of the six week – 4K programs. Our youngest programs continue to enjoy the strongest growth rates and act as a feeder into the elementary schools. Advancement contributions focus on all fundraising efforts, both system wide and site/club specific, monetary and in-kind donations, and estate gifts.

Expenses:

As witnessed in the accompanying graph, the greatest expense continues to be salaries and benefits at 77% with the remaining 23% spread evenly over all other operating expense categories. Having strong revenue streams is not enough if the system does not act as good stewards of its resources. Through continued analysis and streamlining of processes, NCS avoids overspending and maintains profitability.

NCMS Eighth Grade

Congratulations to the 5th and 8th grade students upon their promotion. Our prayers are with them as they begin the next path on their journey to graduation.

Welcome Back to School!

Gathering Witnesses for Jesus Christ...as we begin the next path in our journey as a Catholic community, our Newman family comes together and celebrates the roles we each play in being witness to the Gospel and sharing of God's message. Let us each embrace our role as leader, educator, friend and member of the Catholic community.

Disciples Called To Witness

We gather as your disciples to proclaim Jesus and to give witness in His Name.

O Lord, teach me to witness through the Gospel message.

O Lord, help me to witness through my words and actions.

O Lord, show me each day the Way, the Truth, and the Life.

O Lord bless us all as we gather to serve you in building our Newman Catholic Community.

We make this prayer as your disciples through Christ Our Lord.

Amen

To all new families, welcome to the Newman Catholic Schools family!

CATHOLIC • SCHOOLS • WEEK

During the week of January 27 – February 2, Newman Catholic Schools will join Catholic schools from across the country in celebration of their faith as they celebrate Catholic Schools Week. Throughout the week, students will celebrate in prayer, through service projects, and activities that strengthen their faith focused on the theme, "Catholic Schools: Learn. Serve. Lead. Succeed." The theme reminds us of our responsibility to take charge of our faith education; we are to embrace the knowledge offered, selflessly serve those in need, be a leader within our faith community and strive to succeed. Daily activities will focus on:

- Sunday – Celebrating Your Parish**
- Monday – Celebrating Your Community**
- Tuesday – Celebrating Your Students**
- Wednesday – Celebrating the Nation**
- Thursday – Celebrating Vocations**
- Friday – Celebrating Faculty, Staff and Volunteers**
- Saturday - Celebrating Families**

The culmination of the week occurs on Thursday, January 31, 2019, when all NCS students come together to celebrate the Sacrament of the Eucharist. All are invited to celebrate with our Newman Family at the All Schools Mass.

FOUNDER'S • DAY

On May 19, 2019, Newman Catholic Schools will host the Founder's Day award ceremony; an event that honors men and women who make a difference in the lives of the students, staff and families of Newman Catholic Schools. Honorees are selected for the selflessness, dedication, service, and devotion they have shown in support of the Newman family. Through a nomination and committee selection process, honorees are chosen in the categories of: Cornerstone award, Distinguished Alumni, Athletic Hall of Fame, Coaches Hall of Fame, Honored Volunteers, and Honored Educators. Newman Catholic Schools wants to thank the men and women honored in these categories for all that they do to ensure the system continues delivering excellence in a faith-filled education for many years to come.

Congratulations to this year's honorees!

The individuals shown here are honorees from the 2017 Founder's Day award ceremony.

ACCOLADES

Jeff Gress: Middle School Teacher of the Year

On Monday, April 23, 2018, Jeff Gress, 6th grade teacher at Newman Catholic Middle School, was awarded the well-deserved title of Middle School Teacher of the Year. Mr Gress, Newman High School class of 1995, started teaching at the middle school 19 years ago. During his tenure, he has taught 6th grade Math, Religion and Science, and recently 8th grade Math. While teaching, Mr. Gress also coached High School Boys Basketball and Middle School Football, receiving a nomination for the Channel 7 Coach of the Year during the 2009-2010 school year. He is currently working on his Master's Degree from St. Mary's University.

The Middle School Teacher of the Year award was presented at the spring Diocesan inservice by Tom Reichenbacher, Superintendent of Schools, who stated:

"Jeff is being presented the Diocesan Middle School Teacher of the Year for his commitment to Catholic education; for living out his faith daily through prayer and action. He inspires teachers around him to build trusted relationships with students, parents, and fellow employees. Jeff is a true disciple of Christ for the community of Newman Catholic Schools in Wausau."

Paul Michlig: CWS Football Coach of the Year

Alumnus, Newman Parent, Coach, Athletic Director, Dean of Students and now Central Wisconsin Sports Football Coach of the Year, all titles held by Paul Michlig, Newman High School Class of 1996. Mr. Michlig's career with Newman Catholic Schools began in the spring of 2000. Eighteen years of dedication that found him in many roles: Paraprofessional, Athletic Assistant, Athletic Coordinator and finally to his current role of Athletic Director & High School Dean of Students. During this time, Mr. Michlig coached multiple sports, track, football and basketball and helped run the football and speed camps. In 2015 he was honored with the WISTCA Track & Field Coach of the Year. During the 2016-2017 school year, Mr. Michlig was instrumental in transitioning the football team, from the traditional style of 11-man football to an 8-man football team. The newly minted 8-man team took to the field in the fall of 2017 and never looked back, landing the first undefeated season in Newman football history and winning First Place at the Jamboree, the 8-man football's equivalent to the state tournament. Soon after the tournament win, Coach Michlig was awarded the honor of becoming the CWS Football Coach of the Year.

We are truly thankful to Mr. Gress and Mr. Michlig for the dedication and love they pour into their careers with Newman Catholic Schools. Congratulations to them both for the well-deserved honors.

Thank You for Your Generous Support

Newman Catholic Schools' mission, to provide excellence in education in a Catholic environment, could not be fulfilled without the guidance of our pastoral leadership and our larger parish family. Newman Catholic Schools is blessed to have a strong group of faith leaders who selflessly give of their time to help shape Newman's future.

The students, families, faculty and staff of Newman Catholic Schools would like to say thank you for the love and dedication given to us by our Catholic community. Thank you for ensuring a Catholic education continues to be an option for our youth; that they continue to have the choice of receiving an education embraced by their Catholic faith. Your belief in the Newman Catholic Schools' mission is truly a blessing.

Thank You to the additional Parishes of: St. Agnes, Nativity of the Blessed Virgin Mary and St. Paul for their support.

Thank You to our 2017 Winter Wonderland Sponsors!

On November 11, 2017, Newman Catholic Schools celebrated the 30th annual Winter Wonderland benefit auction. For any fundraiser to reach 30 years is impressive in and of itself but to do so successfully while continuously surpassing the goal is a remarkable accomplishment. During this remarkable tenure, the Newman family has proven time and time again that they will do whatever it takes to support the students, faculty and staff of Newman Catholic Schools. Winter Wonderland is only a success because of the generosity of many; generosity of time, item donation and financial support.

The generosity shown at the 2017 auction ensured another successful year with a gross total of \$235,306 being raised, 117% of the goal. Profits from the auction go to support the operating budget and help bridge the gap between tuition costs and the true costs of educating each student. Of the funds raised, \$60,500 was donated directly to the Fund-A-Need initiative to help fund the "Classroom Dreams" program. The "Classroom Dreams" program was designed to support teachers by giving each classroom a stipend to be used to purchase needs and wants not normally covered within the general budget. Too often, teachers use their own resources to purchase classroom needs. By funding the "Classroom Dreams", they can fulfill their needs without personally sacrificing.

Thank you to the many volunteers who gave of their time in support of the auction; it takes over 75 volunteers to help with donation acquisitions, set up and tear down, selling raffle tickets, and working the night of the event.

Special thanks also go out to the 2017 event sponsors. Newman Catholic Schools is lucky to have the support of so many local businesses and the love of a community devoted to the education of its youth.

Please Consider Donating in Support of Our Mission...

Newman Catholic Schools provides excellence in education in a Catholic environment and enhances the personal and spiritual growth of our students to meet life's challenges.

It is through the support received from current and past parents, grandparents, alumni, parishioners, faculty, staff and business partners that allows Newman Catholic Schools to succeed in its mission and grow stronger each year. Without the generosity of many, NCS would not be able to make the improvements necessary to ensure students benefit from:

Though funding for Newman Catholic Schools comes from four major sources, tuition and parish support account for the majority of income coming in each year but there continues to be a delta of \$2,900 per student between tuition rates and the true costs of educating each student. Successful fundraising initiatives are crucial to the health of the system as all funds raised directly support the operating budget. Your support of the Annual Fund Drive ensures Newman Catholic Schools can build on its legacy for many years to come.
