

CARLISLE COUNTY PUBLIC SCHOOLS

School Meal Charges

Students will no longer have to worry about charging meals due to the implementation of Community Eligibility Provision, which allows students to eat a reimbursable meal at breakfast and lunch at no charge. However the students will still be able to purchase extra food items and ala carte items which will be paid for at the time of service. There will be absolutely no charging.

School adults may not charge any meal. Payment is expected at the time of service.

This institution is an equal opportunity provider.
