## Deans List Communication!

Hello Families,

As many of you know we have made the switch to DeansList. Although a bit different from ClassDojo, it does still allow families to communicate directly with the teachers, principal and other staff members as well. It works like a text message system. Below is the list of phone numbers directly to each of the staff members. Your reply will be answered within 48 hours via DeansList.

**ATTENDANCE  
MATTERS.  
ALL DAY, EVERY DAY**

**the State of Michigan had defined students as chronically absent if they missed more than 10 days of school within a given school year.**

- When students are chronically tardy it impacts their achievement
- Being tardy impedes student learning and they miss out on instruction which can negatively impact their grade
- Research indicates when students are chronically tardy have lower GPAs, lower scores on standardized assessments, and lower graduation rates

**Goal for DEPSA JA is to reduce chronic absenteeism by 15% by the end of the school year.**
