LAC QUI PARLE VALLEY HIGH SCHOOL DISTRICT-WIDE SCHOOL DISCIPLINE POLICY

I. STATEMENT OF POLICY

It is the position of the school district that a fair and equitable district-wide school discipline policy will contribute to the quality of a student's educational experience. Without discipline in the schools, learning cannot occur. Therefore, this district-wide school discipline policy has been adopted.

It is the responsibility of the school board, administrators, and teachers to safeguard the health and safety of each student. The school board and district personnel who, in dealing with students on disciplinary matters, act in accordance with state statute, state board of education regulations, and this policy. "A teacher, school employee, school bus driver or other agent of a district may use reasonable force in compliance with Minnesota Statutes SS 121A.582 and other laws."

The following school board policies apply to Lac qui Parle Valley High School, all extra-curricular events, and all elementary sites.

For the purposes of this section, firearm is defined in United States Code, title 18, and section 921.

2. Notwithstanding chapter 13, a student's expulsion or withdrawal or transfer from a school after an expulsion action is initiated against the student for a weapons violation under paragraph (a) may be disclosed by the school district initiating the expulsion proceeding. ATTENDANCE POLICY

OUR PHILOSOPHY: Attendance is a major focus at Lac qui Parle Valley High School. We believe learning is enhanced by regular attendance. Research indicates that there is significant correlation between student absences and achievement. Class attendance is critical to the successful completion of course work and outcomes. The entire process of education requires continuity of instruction, classroom participation, a variety of learning experiences, and consistent study in order to reach the goal of maximum educational benefit for each student. Absent students cannot expect to make the same progress as they would if they were in attendance in school. We firmly believe a course cannot be successfully completed with excessive absence. With this in mind, Lac qui Parle Valley High School implemented a new attendance policy beginning with the 1999-2000 school year. We believe it is the responsibility of parents/guardians to teach their children the value of the educational opportunity offered by the school district taxpayers. Students should reflect this value through regular attendance.

Maximum Absence Rule

A student will not receive credit for any of their semester classes if absences reach eleven (11) in one (1) or more semester course(s). ALL absences will be counted, except those absences which result from participation in school authorized activities, official religious holidays, a death in the immediate family or confirmed medical appointments.

Classifications of Absences

1. School Authorized Absences

These are to be verified at the time of the absence and are NOT counted in the Maximum Absence Rule. Make-up work is required.

- (a) Curricular and co-curricular pre-authorized school events and programs.
- (b) Medical Appointments (with a note from the Dr.)
- (c) Official religious holidays.
- (d) Death of immediate family member (parent, stepparent, guardian, sibling, grandparent, child).
- (e) Two (2) college visits.
- (f) Court ordered appearances.

2. Excused Absences

These absences need to be verified by parent/guardian at the time of return to school and ARE counted in the Maximum Absence Rule. Makeup work is required.

- (a) Illness-a day of absence will be counted for each day a student is absent due to illness. In the event of extended or chronic illness, verified by a medical doctor, the student may appeal to the Attendance Committee.
- (b) Family emergency.
- (c) Pre-planned absences that have been arranged and preapproved. (Arrangements made prior to the absence in order to be excused; one week ahead recommended.)

3. Unexcused Absences (Truancy) All absences NOT school authorized and NOT verified as excused are considered unexcused. These absences ARE counted in the Maximum Absence Rule. In addition, consequences (detention, ISS or OSS) will be assigned for unexcused absences.

4. In-School Suspension (ISS) These absences ARE counted in the Maximum Absence Rule. Make-up work is required and credit given.

5. Out-Of-School Suspension (OSS) These absences ARE counted in the Maximum Absence Rule. Make-up work is required and credit given.

CONSEQUENCES FOR EXCEEDING ABSENCE LIMITS

1. On the 5th, 8th, & 10th absence for a semester course the teachers/counselors/principal/secretary will inform the student in person, send an Attendance Form and a copy of the policy to the student's parent/guardian by mail.
2. If the student has reached eleven (11) absences from a semester course, the student will be informed in person and the teacher/attendance clerk will send, once again, the Attendance Form to the parent/guardian. An administrator/counselor may conduct a conference with the parent/guardian. A no credit (N) or Fail (F) will be received for the class grade. Upon notification, the student will see the counselor to determine suitable options.
 - A. If the student has received passing marks but has reached the maximum number of absences in any class, the student's record will show no credit (N) for the final grade in all classes for that semester.
 - B. If the student is failing the course when the maximum number of absences has been reached, the student's record will show (F) for the final grade.
 - C. In the rare event a student has suffered a long-term (chronic) illness, which can be verified by a doctor's signed statement, the student's record will show an incomplete (I). If the work is not done according to Make-Up Work Policy guidelines, the incomplete (I) will be changed to (N) or (F).

NOTE: See Make-Up Work Policy.

3. If a student is suffering from a long-term (chronic) illness, please contact the school, teachers will be notified and homework assignment requests honored.
4. The appeals committee will meet regularly to address attendance issues.

Attendance Appeals Process

If notified that a student has accumulated eleven (11) absences in a semester course and credit will be denied, the parent/guardian and student may appeal the loss of credit. The procedure is as follows:

1. Within five (5) school days of parent notification by telephone and mail of possible denial of credit, the student and the parent would be responsible to schedule a meeting with the principal for a date and time to appeal this decision.
2. The student will remain in the class in question pending the decision of the appeal.
3. All long-term (chronic) illnesses must be verified by a doctor's signed statement.
4. The Appeals Committee will consist of the following staff with membership remaining constant for the entire year: faculty/staff, school nurse, counselors, and administrator.

Make-Up Work Policy

1. Students absent one (1) day will have two (2) days to make up work missed for the first (1st) day and two (2) for each succeeding day missed (or longer if mutually agreed upon by the teacher and student upon the student's return.) If a student is unable to turn in the make-up assignments due to another absence, the make-up work from the initial absence will be due the next day the student is in attendance. Make-up slips are available at the information center by the principal's office.
2. Teacher may request the assignments missed due to school-sponsored field trips, co-curricular activities, official religious holidays or preplanned absences made up in advance by the student. Special arrangements will be made for long term (chronic) illnesses verified by a doctor's signed statement. An incomplete (I) may be given to allow for make-up time. Make-up slips are available at the information center by the principal's office.
3. A homework request may be made for absences of more than one school day through the Principal's Office/Counseling Office by parent/guardian. Students' teachers are asked to bring assignments to the Principal's Office no later than 3:15 p.m. of the same day.
4. Students with unexcused absences will receive make-up work for class period(s) but will not receive credit. Assignments not handed in will be turned into an incomplete.
5. Seniors who wish to visit a postsecondary school or college may use two (2) days for this purpose. **College visits are allowed October through April. ALL COLLEGE VISITS MUST BE APPROVED BY THE COUNSELOR.**

1. The student shall present the parental request to leave the school to personnel on duty in the high school office before school in the morning. Legitimate reasons for out-of-building passes include such things as medical or dental appointments, court appearances and special family obligations. The student shall present a written request signed by a parent or guardian. Parents/guardians may also make arrangements by calling 752-4800 providing a written request is submitted the following day. Student requests without parental consent will not be honored.
2. When the request to leave school is approved, the office personnel will issue a pass stating a time that the student will be excused from class. At checkout time, the student will report to the office, show the pass and sign out. A sign-out sheet is provided as official record.

DELIVERY OF MEDICATION SAFELY TO STUDENTS

Policy:

1. A licensed school nurse or, in the absence of the nurse, a principal, health aide, or teacher may administer medication prescribed for a pupil under the conditions set forth in this section. Administration of medication by school personnel must only be done according to the written order of a licensed physician and written authorization of a parent. Medications to be administered must be brought to school in a container appropriately labeled by the pharmacy or physician. Medications that are not taken orally or that have the potential of dangerous side effects may be administered only by a licensed school nurse.

Procedure:

1. Prescription medication should be given at school only when failure to take medication could jeopardize the child's health. No prescribed medications will be given without physician's prescription and written permission from parents.
 - A. The school shall have written, dated, and signed orders from the physician and/or dentist including: student's name, name of medication, dosage, route, and frequency, purpose of medication, side effects, and termination date for administration.
 - B. Medication to be administered must be brought to school in a container labeled by the pharmacist.
 - C. A written request from parent authorizing school personnel to comply with physician's order and designating time medication to be given is necessary prior to administration of medication.
 - D. The school nurse, health aide, principal, or teacher will give oral medications. The licensed school nurse will designate the appropriate staff member to supervise the taking of medication.
 - E. A written record of the administration of medication will be kept in the student's health records with signature of person giving the medication.
2. Medications taken by students at the high school level will be self-administered following the procedure guidelines. Medications for self-administration are stored in a supervised area.
3. When appropriate to self-administer medication, students can carry one dose or inhaler in labeled container. Other doses should be stored in a supervised area.
4. Parents will be notified of student's unauthorized use of medication.
5. Verbal order for a prescription medication may be given over the phone to the licensed school nurse followed by a written order.
6. Parents may wish to have a duplicate of any medication that a child may require left with the school, in the event that a snow storm or other emergency should the child be unable to return home.
7. Medication will be discarded at the end of the school year if the student has not claimed it. This is to avoid the use of outdated medication and storage of unnecessary drugs at the school.

EMERGENCY CARE INFORMATION

The safety and welfare of your child is of utmost importance and is our first consideration. If your child should become seriously ill or injured while under the school's supervision, the following steps will be immediately completed by school personnel:

1. First aid to be immediately rendered.
2. The student's parent or guardian will be called at once. In case the parent or guardian cannot be contacted, the school will call the designated neighbor or nearby relative and/or physician.
3. Transportation shall be arranged for the injured or ill to a source of medical attention directed by the Student Emergency Card.
4. The name of your physician, the physician's desired hospital to which your child will be transported to, the name of the child, and your name will be given to the ambulance attendant.

THE SCHOOL WILL NEVER SEND AN INJURED OR ILL STUDENT HOME OR TO MEDICAL ATTENTION UNATTENDED, WITHOUT CONTACTING THE PARENT/GUARDIAN.

If your child meets with a minor accident or becomes too ill to continue in school, the school will immediately give first aid care and then call the parent or guardian at home or at work at once. The primary responsibility for your child's optimal health lies with each parent or guardian. In turn, you will be expected to:

1. Provide transportation home or to a source of medical attention.
2. Designate an individual (a relative or a neighbor) to care for your child in their home until you can be contacted.

IMMUNIZATION REQUIREMENTS

The Minnesota School Immunization Law: Statutes Section 123.70 requires that all students enrolled in a Minnesota School be immunized against diphtheria, tetanus, pertussis, polio, measles, mumps, and rubella, allowing for certain specified exemptions. Students in grades 7-12 must show the minimum requirement of 3 doses of tetanus and diphtheria, 3 doses of polio, and 2 doses of MMR (measles, mumps, and rubella.) Beginning in the fall of 2001, seventh graders in Minnesota will have to prove they have had a series of 3 shots for hepatitis B and a second dose of vaccine for measles, mumps, and rubella (MMR).

New Immunization Requirement for Fall, 2010:

Starting on September 1, 2010, Minnesota schools and child care centers can no longer accept a parent/guardian's signature as proof that a child has had varicella disease and does not need varicella shot(s). Instead, a health care provider, which includes a physician, nurse practitioner, or physician assistant, will need to sign a form, such as the MDH Pupil Immunization Record or Pediatric Immunization Record, verifying that the child does not need to get varicella shot(s) for school or child care because:

- They are already immune because they had chickenpox disease that was either laboratory confirmed, medically diagnosed, or described well enough to the health care provider by the parent/guardian to clearly indicate disease, or
- They have a medical reason for not getting the shot(s), or
- They have had a lab test showing they are already immune to chickenpox.

As with all immunizations required for school and childcare, children whose parents are conscientiously opposed to immunization may also receive an exemption.

All students in grades 7-12 in need of a tetanus, (Td) booster will be required to receive this vaccine before beginning school in the fall. Required at age 11 and older.

Parent records are acceptable as proof of immunization as long as they include the specific date of each immunization. If your child has a special medical problem and cannot be vaccinated, or if you as a parent are conscientiously opposed to immunization, you may receive a legal exemption.

STATUS OF STUDENTS 18 YEARS OLD OR OLDER

Many wonderful things happen when you become 18! Some things happen that add more responsibility to your personal and school life. You are considered a legal adult; you can vote, you can get a real estate license, you can apply for a loan, just to name a few. In general, you have most of the same freedoms and responsibilities as any adult in the community. However, state laws require that schools enforce the same rules on all students, regardless of their age (with a few exceptions). These exceptions will be noted in the handbook when they apply. Please understand that your role of a student supersedes your position of an 18-year-old adult. You will be held accountable for your actions as a student and as an adult throughout your high school education.

MAKE UP TEST POLICY

Students absent the day before or the day of an announced test or major project/report may be responsible for taking the test or doing the project/report upon returning to class.

SPECIAL EXCUSES

If you have a dental appointment, medical appointment or must leave school for any reason, get a special excuse between 8:00-8:20 a.m. Have the excuse signed by the person you go to see and return it to the office for readmittance to school. Students are reminded not to leave school; having once been in attendance for any part of the day, unless they have permission from the principal's office for reasons other than sickness.

PASSES FOR LEAVING THE BUILDING:

ALL REQUESTS TO LEAVE THE BUILDING WHILE SCHOOL IS IN SESSION MUST BE CLEARED THROUGH THE PRINCIPAL'S OFFICE. STUDENTS LEAVING WITHOUT PERMISSION WILL BE CONSIDERED TRUANT.

BRINGING A PARENTAL PERMISSION EXCUSE THE NEXT DAY WILL NOT BE ACCEPTABLE.

SCHOOL ATTENDANCE AND ACTIVITY PARTICIPATION

1. Students must be in school during all of the P.M. periods (12:35-3:07 pm) of the day or receive prior written permission from the building principal to be eligible to participate that day in practice or a game.
2. Students suspended from school for any reason will be ineligible for participation in practice, games, or meets on those days.
3. Students are expected to be in school on time the day following an event.

TRUANCY

Any absence from class without knowledge of the high school administration or parent, or in the case of a parent refusing to write a valid excuse, will be considered truancy.

1. Any student truant from a class or classes will receive appropriate disciplinary action. Parents or guardian will be notified of truancy.
2. Students who are tardy excessively will be recorded as truant. (See tardiness policy)
3. Students under the age of 18 who have seven (7) or more recorded truantries will be reported as a habitual truant to the county attorney of the student's resident county.

SUSPENSION

Any student suspended from school will be required to make up any work missed while suspended from class or classes. Credit will be granted for made up work. Readmission to school will require parental communication and/or conference.

TARDINESS

Tardies Unexcused per Quarter Consequences

- 3rd -One half hour detention and letter sent home
- 5th -One half hour detention and letter sent home
- 7th -One day ISS or grade reductions in ALL classes
- 9th -One hour detention and letter sent home

Tardies Unexcused per Quarter: Consequences

- 12th -One day ISS
- 14th -One day ISS and grade reductions in ALL classes
- 20+ -One day OSS per tardy over 20

DETENTIONS

Detentions for disciplinary reasons may be served before school from 7:30-8:15 a.m. or after school from 3:15-4:00 p.m. Students must arrange their own transportation.

STUDENT PASS

The "student pass" must be obtained from an instructor prior to study hall time. Check out of the study hall to area where assigned and return to study hall before end of period. Study hall teacher and the instructor to which the student passes before returning will sign time. Passes will be necessary to go to all areas of the building except the library or principal's office where a pass must be obtained from the study hall teacher.

THE COUNSELING DEPARTMENT

How to Visit the Counselors: Any student that would like to see the Junior High or Senior High Counselor, School Social Worker or School Psychologist for any reason will have the opportunity. In order to make this possible, you need to make an appointment with the counselor's secretary and the appointment will be set at the earliest time slot available and will issue a pass for the appointment.

Dropping and Adding a Class: A student will have five (5) days to add or drop a course after the beginning of a semester or year length course. Drop deadline for a semester course will be five (5) days after the first grading period of the course. No credit will be given. All drops will require parental permission during and after the five (5) day limit; the school, parent or student may request a conference before a course is dropped. ALL STUDENTS WILL MAINTAIN THE MINIMUM NUMBER OF SIX (6) SUBJECTS AT ALL TIMES. A student may drop a course at any time with parental permission after the above-defined guidelines but will receive a W/F grade and it will be considered as an "F" in figuring G.P.A. Any student may add a class after a five (5) day limit with instructor's permission.

TRANSCRIPTS: Senior's final transcripts will be available approximately July 1, and will be mailed to the post secondary institution requested by you. Students planning to compete in NCAA Division I and II must obtain a Clearinghouse form available in the counselor's office and submit it.

WORK PERMITS: No student will be allowed to go on a work permit until all forms are on file in the high school office.

COLLEGE CREDIT: College credit is offered in conjunction with Southwest MN State University (SMSU) in a variety of subject areas. The following are prerequisites:

1. Juniors - Must be in the top one-third of their class
2. Seniors - Must be in the top one-half of their class
3. The student is currently enrolled in the course in the hour it is offered.

CHANGES IN REGISTRATION: Registration for next years classes will be considered final at the close of the preceding school year. Advisors will assist with drop/add paperwork prior to the student meeting with the counselor. Changing from one course to another after school begins will not be permitted except under unusual circumstances, and then only with input from the counselor, teacher, advisor, and parent/guardian. Students must assume responsibility for their academic choices after receiving guidance from school and home. To a great degree, the master schedule is built and predicated on these student choices and the curriculum offerings of the high school faculty. To this end, it is important that student schedules remain as originally prepared.

GRADING, INCOMPLETES, HONOR ROLL AND CHEATING POLICIES

Grading System: Report cards are issued as soon as possible following the end of the nine-week period. Your teacher in each class will emphasize the content and grading system of his/her class.

Grading Procedures: Each semester course has two-quarter grades weighted at 40% each and the final exam or project weighted at 20%. To receive credit, students must pass two of three grades teachers assign.

Key to Grading Scale:

A	4.00000	C	2.00000
A-	3.66667	C-	1.66667
B+	3.33333	D+	1.33333
B	3.00000	D	1.00000
B-	2.66667	D-	0.66667
C+	2.33333	F	0.00000

Incompletes: If a student is absent, he/she is usually given two days for each day absent in order to complete work that was missed. If the absence occurs near the end of the quarter/semester, the student may receive a grade of "Incomplete" on their report card. The grade of "Incomplete" indicates a student has two weeks from the end of the grading period in order to complete required work. In cases of extended

illness, the student may be given more time to complete the required work. Teachers are expected to change the "Incomplete" to a letter grade within two weeks of the end of the marking period. Because the Honor Roll is posted as soon as possible after the end of each quarter, a student who earns an "Incomplete" is not eligible for the Honor Roll.

Honor Roll: The Honor Roll is a grade point average each nine weeks of 3.00 being the "B" honor roll and 3.66 being the "A" honor roll.

Junior High Promotion and Retention Policy: All semester courses required by the district, which are failed in grades 7 & 8, will be repeated. A parent may request their child to repeat an entire grade if the student has failed three (3) or more courses. A student who fails four (4) courses will be listed on the past years class list. Any student who is a special education student with an I.E.P. will be placed where the Child Study Team feels is best for the student. All special education laws and regulations will be followed.

Grade Level Placement 9-12:

Students will be listed on the appropriate class list based upon their ability to earn the number of credits required to graduate, earning a maximum of seven (7) credits each year, grades 9-12. All courses taken in grade 9 will be counted toward graduation.

Grade 9: Schedule must allow you to earn three (3) high school credits.

Grade 10: Must have previously earned a minimum of three (3) credits.

Grade 11: Must have previously earned a minimum of ten (10) credits.

Grade 12: Must have previously earned a minimum of seventeen (17) credits.

Alternative Education Transportation

Students opting to attend an alternative learning setting will be responsible for their own transportation, unless they have an Individualized Education Plan (IEP) that documents this change is needed as an accommodation for their learning. Administration may accommodate non-IEP students transportation needs on an individual basis.

Policy Relating To Graduation, Honor Students, and Grading:

Lac qui Parle Valley High School will recognize students as "Honor Students" at graduation who maintain a 3.0 academic record in grades 9-12; "Distinguished Honor Students" must maintain a 3.5 average in grades 9-12. Final calculations for honor students will be made at the end of the 3rd grading period of their senior year and will be used on graduation day. However, a final class rank will be reassessed when final grades are posted. (NO STUDENT WILL BE ON THE SENIOR ROSTER IF THEY CANNOT COMPLETE CREDIT REQUIREMENTS NECESSARY FOR GRADUATION.) A student speaker, to represent the class, will be chosen from this group of honor students by fellow honor students. All students listed on the senior roster will be allowed to participate in graduation exercises and those not meeting requirements on graduation day will be awarded diplomas when requirements are met. The Board of Education will sponsor graduation and pay all costs, (gowns, stage flowers, etc...). Students wearing individual flowers will have to bear the cost of those flowers. Diplomas will be presented to students after the ceremony has been completed and gowns are turned in to the principal's office or a deposit is made on them. All obligations (detention time, bills, required credits and anything else) must be completed before diplomas are awarded.

Cheating Policy

1. Philosophy: Education is a system where the powers of the mind are developed. Honesty and integrity are essential to excellence in education. Tests and other written or demonstrative work are measures of how this system is working. Honesty is required to ensure accurate measurement of education for both the student and the teacher. The value of your education depends upon your self-respect and honesty with other people about the integrity of your work. Your work must be free from deceit; it must be your own. Yes, you look to others to learn. No, you do not look to others for the final product, which measures your learning, nor do you provide a product, which another student will present as his/her own. Being honest with yourself and others creates the trust that must exist between the student, the teacher and fellow students.

2. Definition of Cheating:

- A. Copying from other student's tests, daily work, homework, etc. with or without their approval.
- B. *The faculty is to make clear when sharing, as in cooperative learning is permissible.
- C. Allowing your work to be copied.
- D. Revealing test content questions or answers.
- E. Altering of answers, scores, or records of your work--or the work of others.
- F. Plagiarizing--i.e. --using someone else's words, projects, ideas or organization structure as your own without giving appropriate credit.
- G. *A teacher will make a judgment about what plagiarism is to him/her and makes this clear to the students.

3. Staff Guidelines:

- A. Be very clear when giving assignments to ensure that all students understand what they are to do.
- B. Review the cheating policy in each class incorporating any additional rules you might choose.
- C. If your goal is to maximize individual work by students, provide reasonable control (i.e. organization of desks, rotating tests, etc...).
- D. Monitor testing closely. Stay in the room. Be alert.
- E. Be consistent in administering the cheating policy.

4. Consequences:

- A. First Offense: This will be handled by the teacher.
- B. Second Offense: Zero on assignment or test, a note or phone call to parent from the teacher and office notification.
- C. Third Offense: Zero on assignment or test, conference between student, parent, administrator and teacher.

ACADEMIC INELIGIBILITY FOR EXTRA-CURRICULAR PARTICIPATION (GRADES 7-12)

Quarter Grades:

- A. For each course failed, students will be ineligible for two events.
- B. For each incomplete, students will be ineligible for two events. (Students will be immediately reinstated with teacher verification once incompletes are made up).
- C.) Practices, jamborees, inter-school scrimmages and previews are not interscholastic contests and may not be counted, however, the student is eligible to participate.

Mid-Quarter Grades:

- A. For each course with a failing grade, student will be ineligible for one event.
- B. For each course with an incomplete, student will be ineligible for one event. (Students will be immediately reinstated with teacher verification once incompletes are made up).
- C. Practices, jamborees, inter-school scrimmages and previews are not interscholastic contests and may not be counted, however, the student is eligible to participate.

Ineligibility starts the next school day after grading period (typically the Wednesday following the end of the quarter). Fourth quarter grades commence with the following fall's activities. Ineligibility is used up in the Minnesota State High School League category one events: Athletics, Dance Team, Cheerleading, and Fine Arts events. Category two events: Band, Choir, Plays, Knowledge Bowl, and other activities where students perform publicly. Academic Ineligibility may be used up with any combination of category one or two events, whichever occurs first. Students may not use rules violations and academic ineligibility at the same time.

- Students will be required to participate in pep band, concert band and choir performances, as this is a graded event. Events such as large group, small group, Jazz Band, Swing Choir, etc will follow the academic ineligibility policy guidelines.
- PSEO classes will follow these above ineligibility guidelines. It is also worthwhile to note that high school staff are unable to monitor PSEO progress during the semester and only see the grades when submitted by the post-secondary institution.
- Academically ineligible student athletes are not allowed to be in uniform at a contest until their suspension is served
- Students ineligible due to incomplete work are immediately eligible to compete upon written or verbal communication between the teacher and activity coach/advisor

STUDENT TELEPHONES: Telephones in the principal's office or counselor's office are **NOT** for student use unless approved by a staff member. Cell phones are not to be on during class time!

Cell phones, I-pods, mp3 players, chromebooks (for non-educational use), or other electronic devices will not be allowed during class time, study-hall, media center, detention, ISS, or computer labs. They cannot be seen, heard, or observed being used, for example, text messaging. These devices will be allowed in the hallways, in between classes, and during lunch time. **Picture phones are not allowed in the locker rooms and bathrooms.**

Consequences will be as follows:

1st Offense: High School Office will collect the device and give back at the end of the next day, 24 hours later.

2nd Offense: High School Office will keep until parent picks it up at the end of the day.

3rd Offense: High School Office will keep for 3 days, and then parents will pick it up.

4th Offense and beyond: High School Office will keep for 1 week, and parents will need to pick it up at the end of the week.

It is important for students and parents to realize that these electronic devices/cell phones are disruptive in the classroom, and could be used for cheating, distracting to others, and deemed unnecessary in the classrooms.

(Refusal to give up devices, 3 days ISS-in school suspension.)

PADLOCK FEE: Beginning with the class of 2008, students will purchase a padlock for \$6.00 from the school. They will be expected to keep it until they graduate. They will be required to pay for an additional lock if they lose it.

Ten-event tickets are available to students for \$20.00; senior citizens for \$40.00; and adults for \$50.00. Student season passes are \$30.00, and adult season passes for \$80.00. Family passes are available for \$150.00 for parents and LqPV students in grades 1-12. Senior Citizen admission for that age 62 and over is \$4.00. Senior Citizens that reside in the LqPV School District get FREE admission. Activity passes will be accepted at Dawson-Boyd for cooperative sponsored events.

AWAY GAME BUS: Anyone traveling on a school bus is to return to school on the bus unless arrangements have been made with the principal's office or bus chaperone to have your parents pick you up. Verbal communication is necessary. **Notes will not be accepted.** Buses will be offered for tournament games in all sports but not for all regular season games, as students will be encouraged to support all athletic teams at home. Thirty students are necessary to warrant a student bus. Cost: TBA

INDUSTRIAL ARTS AND WELDING SHOP PROJECTS PAYMENT POLICY:

Due to the increasing cost of student shop projects and the associated cost of payment collection, the following procedures shall be implemented by the school district: All parents will receive a notice of the project which the student has selected to make and the associated cost of materials. This notice must be signed and returned to the school with a 50% down payment of the project cost prior to the student starting the project. When the district receives the signed notice with the 50% down payment, the notice serves as an approval for the student to incur this cost at the student's expense. Another payment will be required at the end of the quarter with full payment due at the end of the semester. The school will not release the project until the balance has been paid in full. If full payment has not been received at the end of the semester, an incomplete grade status will be issued for the student.

Nothing in this policy shall prevent any person from reporting harassment or violence directly to a District Human Rights Officer or to the Superintendent.

3. The school district will not discriminate against any student, or exclude any student from its educational program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the receipt.
4. The school district may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation in the normal education program or activity so long as a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.
5. The school district will ensure that any separate and voluntary instruction program is comparable to that offered to non-pregnant students.
6. It is the responsibility of every school district employee to comply with this policy.

2. **In Each School Building:** The building principal is the person responsible for receiving oral or written reports or grievances of unlawful discrimination toward a student at the building level. Any adult school district personnel who receive a report of unlawful discrimination toward a student shall inform the building principal immediately.
3. Upon receipt of a report or grievance, the principal must notify the school district human rights officer immediately, without screening or investigating the report. The principal may request, but may not insist upon a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the principal to the human rights officer. If the report was given verbally, the principal shall personally reduce it to written form within 24 hours and forward it to the human rights officer. Failure to forward any report or complaint of unlawful discrimination toward a student as provided herein may result in disciplinary action against the principal. If the complaint involves the building principal, the complaint shall be made or filed directly with the superintendent or the school district human rights officer by the reporting party or complainant.
4. The school board hereby designates the district superintendent as the school district human rights officer to receive reports, complaints or grievances of unlawful discrimination toward a student. If the complaint involves a human rights officer, the complaint shall be filed directly with the school board chairperson.
5. The school district shall conspicuously post the name of the human rights officer including mailing addresses and telephone numbers.
6. Submissions of a good faith complaint, grievance, or report of unlawful discrimination toward a student will not affect the complainant or reporter's future employment, grades, or work assignments.
7. Use of formal reporting forms is not mandatory.
8. The school district will respect the privacy of the complaint, the individual(s) against whom the complaint is filed, and the witness as much as possible, consistent with the school districts legal obligations to investigate, to take appropriate action, and to conform to any discovery or disclosure obligation.

INVESTIGATION

1. By authority of the school district, the human rights officer, upon receipt of a report, complaint or grievance alleging unlawful discrimination toward a student shall promptly undertake or authorize an investigation. The investigation may be conducted by school district officials or by a third party designated by the school district.
2. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incidents(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.
3. In determining whether alleged conduct constitutes a violation of this policy, the school district should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incidents occurred. Whether a particular action or incidents constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.
4. In addition, the school district may take immediate steps, at its discretion, to protect the complainant, pupils, teachers, and administrators of other school personnel pending completion of an investigation of alleged unlawful discrimination toward a student.
5. The investigation will be completed as soon as practicable. The school district human rights officer shall make a written report upon completion of the investigation. If the complaint involves the superintendent, the report may be filed directly with the school board. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

SCHOOL DISTRICT ACTION

1. Upon conclusion of the investigation and receipt of a report, the school district will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. School district action taken for violation of this policy will be consistent with requirements of applicable collective bargaining agreements, Minnesota and federal law and school district policies.
2. The result of the school district's investigation of each complaint filed under these procedures will be reported in writing to the complainant by the school district in accordance with state and federal law regarding data or records privacy.

REPRISAL

- A. The school district will discipline or take appropriate action against any pupil, teacher, administrator, or other personnel who retaliates against any person who reports, alleged unlawful discrimination toward a student or any person who testifies, assists or participates in an investigation, or who testifies, assists, or participates in a proceeding or hearing relating to such unlawful discrimination. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

RIGHT TO ALTERNATIVE COMPLAINT PROCEDURES

1. These procedures do not deny the right of any individual to pursue other avenues of resources, which may include filing charges with the Minnesota Department of Human Rights, initiating civil action, or seeking redress under state criminal statutes and/or federal law.

DISEMINATION OF POLICY

1. This policy shall be made available to all students, staff members, employee unions, and organizations.

SCHOOL BUS POLICY

I. Conduct on School Buses and Consequences for Misbehavior

Riding the school bus is a privilege, not a right. Students are expected to follow the same behavioral standards while riding school buses as are expected on school property or at school activities, functions or events. All school rules are in effect while a student is riding the bus or at the bus stop. The building Principal or the Principal's designee for school bus/bus stop misconduct will impose consequences. In addition, all school bus/bus stop misconduct will be reported to the Department of Public Safety and may be reported to local law enforcement.

1. School Bus and Bus Stop Rules

- A. The School District school bus safety rules are to be posted on every bus. If these rules are broken, the School District's discipline procedures are to be followed. Consequences are progressive and may include suspension of bus privileges. It is the school bus driver's responsibility to report unacceptable behavior to the School District's Transportation Office/School Office.

2. Rules at the Bus Stop

- A. Get to your bus stop 5 minutes before your scheduled pick up time. The school bus driver will not wait for late students.
- B. Respect the property of others while waiting at your bus stop.
- C. Keep your arms, legs and belongings to yourself.
- D. Use appropriate language.
- E. Stay away from the street, road or highway when waiting for the bus. Wait until the bus stops before approaching the bus.
- F. After getting off the bus, move away from the bus.
- G. If you must cross the street, always cross in front of the bus where the driver can see you. Wait for the driver to signal to you before crossing the street.
- H. No fighting, harassment, intimidation or horseplay.
- I. No use of alcohol, tobacco or drugs.

3. Rules on the Bus

- A. Immediately follow the directions of the driver.
- B. Sit in your seat facing forward.
- C. Talk quietly and use appropriate language.
- D. Keep all parts of your body inside the bus.
- E. Keep your arms, legs and belongings to yourself.
- F. No fighting, harassment, intimidation or horseplay.
- G. Do not throw any object.
- H. No use of alcohol, tobacco or drugs.
- I. Do not bring any weapon or dangerous objects on the school bus.
- J. Do not damage the school bus.

4. Consequences

- A. Consequences for school bus/stop misconduct will apply to regular and late routes. Decisions regarding a student's ability to ride the bus in connection with co-curricular and extra-curricular events (for example, field trips or competitions) will be at the sole discretion of the School District. Parents or guardians will be notified of any suspension of bus privileges.

Secondary (7-12)

- 1st offense warning
- 2nd offense-1-5 day suspension from riding the bus/meeting with parent
- 3rd offense-1-10 day suspension from riding the bus/meeting with parent
- 4th offense-1-20 day suspension from riding the bus/meeting with parent

- 5th offense-suspended from riding the bus for the remainder of the school year.

Other Discipline

- Based on the severity of a student's conduct, more serious consequences may be imposed at any time. Depending on the nature of the offense, consequences such as suspension or expulsion from school may also result from school bus/bus stop misconduct.

Records

- Records of school bus/bus stop misconduct will be forwarded to the individual school building and will be retained in the same manner as other student discipline records. Report of serious misconduct will be provided to the Department of Public Safety. Records may also be maintained in the transportation office.

Vandalism/Bus Damage

- Students damaging school buses will be responsible for the damages. Failure to pay such damages (or, make arrangements to pay) within two weeks may result in the loss of bus privileges until damages are paid.

Notice

- Students will be given a copy of school bus and bus stop rules during school bus safety training. Rules are to be posted on each bus and the driver will periodically review both rules and consequences with students.

Criminal Conduct

- In cases involving criminal conduct (for example, assault, weapons, possession or vandalism), the Superintendent, local law enforcement officials and the Department of Public Safety will be informed.

PARENT AND GUARDIAN INVOLVEMENT

1. Parent/Guardian Responsibilities for Transportation Safety

- A. Become familiar with District rules and policies, regulations and principles of school bus safety.
- B. Assist students in understanding safety rules and encourage them to abide by them.

- D. Support safe riding practices and reasonable discipline efforts.
- E. When appropriate, assist students in safely crossing local streets before boarding and after leaving the bus.

- G. Respect the rights and privileges of others.
- H. Communicate safety concerns to school administrators.
- I. Monitor bus stops, if possible.
- J. Support all efforts to improve school bus safety.

2. Parents and Guardian Notification

A copy of the School District school bus and bus stop rules will be provided to each family at the beginning of the school year or when a child enrolls, if this occurs during the school year. Parents and guardians are asked to review the rules with their students.

Education Data Q & A:

This information is designed to help parents and students with their questions about the collection and use of education data. Education data are governed by state law ([Minnesota Statutes, section 13.32](#)). Education data are also governed by federal law, the [Family Educational Rights and Privacy Act](#) (FERPA), and its federal regulations.

Note: Minnesota law uses the phrase educational data to describe data related to students maintained by a public school and federal law uses the phrase education records. This document uses the phrase education data to refer to both the federal and state laws. Education data can be in any form including handwriting, print, electronic data, video, etc.

What are education data?

Education data are maintained by a public educational agency or institution and relate to a student or parent, and include health data of students under age 18. Data held by contractors performing an institutional service or function are also education data.

Who can access my student's education data?

In general, education data are classified as private under state law in Minnesota. Federal law also generally protects the privacy rights of parents and students. Mostly only parents, students, and school officials may access education

data, but there are several exceptions (e.g., directory information, health and safety emergencies, alcohol and controlled substance violations).

Who is a school official?

Each school determines who qualifies as a “school official.” School officials are allowed access to private education data without the consent of the parent or student, if they have a legitimate educational interest (as determined by the educational agency). This is an exception to the general rule that education data are private and may not be disclosed without consent. Also, the annual FERPA notice must identify who outside the school is also a school official.

What is directory information?

“Directory information” is defined by FERPA as certain education data that is available to anyone in the public. Under federal law, the school must notify parents each year which education data it decides are “directory information.” Parents have the right to refuse (“opt-out”) to let the school include any of their student’s data as directory information; the annual notice to parents must explain how they can refuse. Examples of directory information are: a student’s name, home address, telephone number, email address, photograph, date and place of birth, enrollment status and major field of study. Social Security Numbers are not allowed to be included as “directory information” (Advisory Opinion 04-024).

Can non-custodial parents get access to their child’s education data?

Yes, parents get access to their child’s education data even if the child doesn’t live with the parent, unless there is a state law, court order or other legal reason that doesn’t allow it (i.e., a parent’s rights have been terminated) (Advisory Opinion 05-006).

Can students give consent for the release of their education data?

Once a student turns 18 or enters a post-secondary institution, a parent’s right to give consent transfers to the student. Until that time, the student may not give consent to the release of his/her education data. Parents may still access the education data if the student is claimed as a dependent on a parent’s income tax return.

Can I get information about my student’s teachers?

Yes, parents can access certain data about teachers. [Minnesota Statutes, 13.43, subdivision 2](#), lists the data that are public about government employees. This includes a teacher’s name, salary, education and training, job location, and work telephone number.

Can military recruiters access my student’s education data?

This can be a confusing question because state and federal law don’t match. Though Minnesota law seems to require schools to disclose the names, addresses, and home telephone numbers of students in grades 11 and 12 to military recruiters, federal law has limited the disclosure of this information. In general, if: 1) the school has designated those items as directory information; 2) the parent has not refused to allow a school to disclose directory information; and 3) the parent has not opted out of disclosure to military recruiters, then the school may disclose name, address, and home telephone number. Schools must offer parents the opportunity to say no to both disclosures, and if the parent opts out of either, a school must get parental consent to disclose the data to military recruiters (Advisory Opinion 01-078).

My student attends a private school, does Minnesota Statutes, section 13.32 apply to us?

In general, unless the school is under contract with a government entity, the Data Practices Act does not apply to private schools. The federal law, FERPA, applies to a private school only if that private school receives funds from the U.S. Department of Education.

My student’s teacher took notes on a presentation that my student gave. Can I have access to those notes?

Under both federal and state law, teachers’ (or substitutes’) notes that they don’t share with anyone else – commonly called “desk drawer notes” – are not considered government data and cannot be accessed as part of a data request. Under state law, these notes must be destroyed at the end of each school year.

A related topic - under state law, notes made by "supervisors, administrators or related personnel" **are** considered government data so parents can access those notes.

Can I see surveillance videos of students and school staff?

Surveillance videos maintained by a school are likely private education data. The videos could be public if the school has designated surveillance videos as directory information in its annual FERPA notice. If school staff members are the subjects of a video or portions of a video, those images are personnel data (Minnesota Statutes, section 13.43) and may be public or private, depending on what the images show. Minnesota courts and Advisory Opinion 07-016 provide some guidance (public data may be withheld if it’s not possible to separate the public data from private data; school video from an event open to the public is public).

Sharing of Education Data

Sometimes schools must or may [share education data](#) with other units of government. They also may share education data [when a student transfers](#) to another school.

Notice Concerning Use of Pest Control Materials:

Our district utilizes a licensed, professional pest control service firm for the prevention and control of rodents, insects, and other pests in and around the district’s buildings. Their program consists of:

1. Inspection and monitoring to determine whether pests are present, and whether any treatment is needed;
2. Recommendations for maintenance and sanitation to help eliminate pests without the need for pest control materials;
3. Utilization of non-chemical measures such as traps, caulking and screening; and
4. Applications of EPA-registered pest control materials when needed.

Pests can sting, bite, cause contamination, damage property, and spread disease; therefore, we must prevent and control them. The long-term health effects on children from the application of such pest control materials, or the class of materials to which they belong, may not be fully understood. All pest control materials are chosen and applied according to label directions per Federal Law.

An estimated schedule of interior pest control inspection and possible treatments is available for review or copying at each school office. A similar estimated schedule is available for application of herbicides and other materials to school grounds. Parents of students may request to receive, at their expense, prior notification of any application of a pest control material, should such an application be deemed necessary on a day different from the days specified in the schedule.
