Comments and Additional Ideas for **Goal 1:**

- Continue to fund, and possibly expand, SEL counselors
- Look for ways to improve student engagement, especially with the new career learning clusters
- Provide more professional learning to support adopted curriculums, and improve teacher facility with those curriculums
- Make all schools meals free, and emphasize healthy food options and eating habits
- Provide school-based summer programming to help students maintain their learning; consider a 12-month school calendar
- School-bus assistants to help monitor students while the driver is driving
- Focus on student behavior outside the classroom, especially as it relates to school safety and student well-being
- Prioritize new school facilities in the northern feeder pattern
- Provide classroom TAs based on enrollment (e.g., classes above 22 students have a TA) rather than grade level
- Consider how to connect students and their families to community resources within the school environment
- Additional learning opportunities for parents related to the school- and/or division-adopted materials so they can support their child(ren)
- Add recess time to middle school
- Create embedded translator positions at schools instead of relying on tele-translation services
- Provide more clarity about what education for high-ability students looks like across the division
- Increase intervention staffing for every school

**Q7. Proposed recommendations to support this objective:**

- Create more support structures for staff (i.e. more TAs in more classes, bus aides, hall monitors)
- Investigate ways to better connect ACPS students and families with community-based resources
- Add family support liaisons in schools to help families in need

**How well will these proposals help achieve Goal 2 Objective 2?**

| Answer              | N   | Value | %      | Percentage of total respondents  |
|---------------------|-----|-------|--------|--|
| 1 - Not at All      | 27  | 1     | 1.88%  |   |
| 2                   | 65  | 2     | 4.51%  |   |

| <b>Total: 1,440</b> |     |       |        | <b>Weighted Score: 4.13</b>  |

Comments and Additional Ideas for **Goal 2:**

- Collaborate with community groups/organizations to provide more services at school sites to help families access them
- Make support positions full-time to attract more applicants, and give them responsibilities that will reduce teacher workload
- Expand pre-K opportunities (classrooms available at every elementary school)
- Increase staff compensation and incentivize retention across all positions
- Offer better/more mental health support to staff
- Increase access (both financial and spaces available) to after-school activities, including EDEP, with transportation available

**Q9. Proposed recommendations to support this objective:**

- Offer more early contracts for hard to fill positions (e.g. special education, high school math)
- Hire more bus drivers, Teaching Assistants, and permanent substitute teachers
- Create on-boarding and support programs for specialized staff in school buildings (e.g. bookkeepers and lead custodians)
- Maintain market competitiveness for staff compensation

**How well will these proposals help achieve Goal 3 Objective 1?**

| Answer              | N   | Value | %      | Percentage of total respondents |
|---------------------|-----|-------|--------|---------------------------------|
| 1 - Not at All      | 15  | 1     | 1.04%  |                                 |

| 5 - Very well       | 765 | 5     | 52.90% |                                 |
| <b>Total: 1,446</b> |     |       |        | <b>Weighted Score: 4.30</b>     |

**Q10. Proposed recommendations to support this objective:**

- Audit school facilities to evaluate where inequities in resources (i.e. playgrounds, field quality, parking) are and how to bring facilities to greater consistency
- Establish a long-term plan to move away from fossil fuels
- Look into ways to update classrooms to create more small group or individual learning spaces

**How well will these proposals help achieve Goal 3 Objective 2?**

| Answer              | N   | Value | %      | Percentage of total respondents |

Comments and Additional Ideas for **Goal 3:**

- Create a professional learning plan for new teachers to ensure they are familiar and prepared to use all division-adopted materials
- Build systems that support staff to become credentialed teachers, licensed drivers, certificated professionals, etc.
- Focus on building new schools rather than renovating existing schools
- Expand access to snacks in high school
- Build systems that allow teachers to change positions or locations to minimize burn out and increase tenured staff retention
- Provide more opportunities for families to attend school events virtually
- Consider other forms of environmentalism, such as moving away from single-use plastics, increasing recycling programs, and starting composting programs

*Note: Collective bargaining was mentioned in the comments, but it is not budgetary.*
