SECOND BAPTIST SCHOOL ATHLETICS

As we train student athletes to grow in their skills, we encourage them to grow in their relationship with Jesus Christ. Through practice and competition, SBS athletes learn to **CLAIM VICTORY** by first learning how to be victorious in the small things.

TRADITION

Varsity teams at SBS regularly compete at the state championship level, and every year we are proud to honor our student athletes who commit to play at the collegiate level. This tradition of excellence can only happen with outstanding and dedicated coaching staff. Our coaches choose SBS because of the opportunities they have to use their passion for sports and their desire to minister to student athletes. Many of them are former Division I athletes and coaches as well as former professional athletes.

CROSS COUNTRY | TRACK & FIELD AT A GLANCE

The SBS cross country and track and field programs impact 25-30 students each season in grades 7-12. Each year, there are three teams: men's varsity, women's varsity and co-ed middle school.

Athletes train on campus and at nearby community parks. Second Baptist School has state-of-the-art locker rooms complete with a sound system, flat screen television and apple tv. Student athletes have access to two athletic trainers and two strength and conditioning coaches.

The SBS cross country and track and field programs regularly produce record-setting athletes, district and state champions and go on to compete at the college level. For more information on the history of these great athletes, visit athletic.net.

A WORD FROM DIRECTOR OF ATHLETICS MIKE WALKER

Coaches at SBS love the Lord, love kids and love their sport. I am looking for men and women committed to serving at a private school who desire to build a program that reflects excellence in character development and competition.

I encourage you to consider becoming part of our team. Come to Houston and explore SBS to see if this is where God is leading you to use your unique gifts and talents!

I look forward to meeting you soon.
