Randy Clark (1950 - 2013) served Porter-Gaud for thirty-eight years in various roles including Middle School Principal, Director of Athletics, Middle School History Teacher, and Head Boys' Basketball Coach. He led the Cyclones to three State Championships and three State Runner-Up Finishes. While Coach Clark served as Head Basketball Coach, Hoops magazine ranked the 2005 Porter-Gaud Varsity Boys' team the twenty-third best in the nation. He was named SCISA State Coach of the Year five times and Region Coach of the Year six times. Coach Clark taught, coached, and led hundreds of Cyclones through the years, and The Randy Clark Classic is played in his memory on the "Randy Clark Court" in the Wendell Center.
