Dear Fellow Parents,

The PA is excited to kick off the Harbor Read-a-Thon on Friday Dec 16th. This year's theme is "reading around the world", a great way to incorporate learning about the world around us while logging in some reading hours.

- Children will receive all the info and papers they will need to participate in this exciting event.
- We will start with a **pajama day on Friday, December 16th, READ IN YOUR PJs!!**
- Each child will be given a Bingo Card that includes easy, internationally-inspired challenges. Complete the entire card by January 20th to be entered to win an AMAZING PRIZE!!
- Also in the packet is a book review template. We are asking each student to submit a review or recommendation for ANY BOOK. These recommendations will be showcased around the school to help students find new ideas for books.
- The Read-a-Thon culminates with a character parade on January 20th. Come dressed as your favorite book character! That same day, at all school meeting we will be doing a "*Buddies Book Buzz*" - think speed dating for book reviews. Each child will be able to give a SPEEDY (1 minute) review of a book to their Buddies and then, BUZZ!!!, you move to another student. It's a great way to share your favorite book and hear about many others. These events will be solely for students, but pictures will be shared for all to enjoy.

Please encourage the children to visit Mrs. Napadano in the library for books she recommends. She will have a dedicated area for books with international themes. Students may bring these home over the long break. We have also compiled a [LIST](#) to help with finding books and music to help complete the Bingo challenge.

Warmly,

The Harbor Read-a-Thon Parents' Association Crew
