

ST. MARY'S COUNTY EVENING COUNSELING CENTER

Services are FREE to all enrolled students and their families in the SMCPs system.

The Evening Counseling Center (ECC) provides counseling services by appointment to all students and parents of students enrolled in St. Mary's County Public Schools. We recognize that good mental and emotional health is necessary for children and adolescents to experience success in school and at home. The Evening Counseling Center provides counseling and social skills training, helps families design their own behavior management programs, and connects families with community agencies. The ECC is open Thursday evenings from 4:00 pm -7:00 p.m. and is located in the Great Mills High School Counseling Office. **Sessions will begin on Thursday, October 10, 2019.**

To schedule an appointment please contact:

Mrs. Audra Bishop
School Counselor
301-863-4001 Ext. 18122
