

COLLEGE ADMISSION PROFILE 2022-2023 SCHOOL YEAR

FOUNDED IN 1859 BY THE SISTERS OF THE HOLY NAMES OF JESUS AND MARY, St. Mary's Academy offers a college preparatory curriculum designed to engage young women in STEM, humanities and the arts. As our mission dictates, St. Mary's educates the whole person by nurturing spirituality, encouraging creativity, promoting justice and inspiring a sense of global interdependence to prepare students for service and leadership.

LOCATED IN DOWNTOWN PORTLAND, St. Mary's attracts girls from over 100 different middle schools. We challenge all students to become proficient, confident, independent learners. They are highly engaged in their learning, school community and outreach.

GRADUATION REQUIREMENTS

SUBJECT	YEARS	SUBJECT	YEARS
English	4	Electives	1.5
Theology	4	Fine Arts	1
Social Science	3.5	Health	1
Science	3	Physical Education	1
World Languages	2	Information Science	0.5
Mathematics	3	Speech	0.5

Students generally take seven courses each semester. Classes meet two to three times per week for 75-minutes. Co-curricular classes include Ministry Leadership Team, Mock Trial, Model UN, Science Olympiad, Teaching, Integrating & Exploring Science (TIES) and Robotics. *See notes on COVID-19 addendum.*

HONORS AND AP COURSES

Students must have department recommendations to take AP, honors, and PSU courses, which are weighted and receive an extra point on our 4.0 grading scale. We recommend limiting these honors classes to two per semester. PSU courses are taught at SMA but receive college credit at neighboring Portland State University.

Advanced Human Geography	AP Biology
Honors Advanced French	AP Calculus
Honors Advanced Spanish	AP Chemistry
Honors Algebra 2/Trig	AP Computer Science
Honors Biology	AP English Language
Honors Chemistry	AP English Literature
Honors English 10	AP French Language
Honors Geometry	AP Physics
Honors Leadership	AP Spanish Language
Honors Pre-Calculus	AP Studio Art
Honors World History	AP U.S. Government and Politics
PSU Challenge: Calculus 2 & 3 (MTH 252, 253)	
PSU Challenge: U.S. History (HST 203)	
PSU: Modern European History (HST 102)	

Although not an honors class, our other advanced STEM class is Scientific Research Methods. AP Computer Science is cross-listed as a math course.

Advanced Leadership Endorsement: St. Mary's offers seniors the opportunity to earn this distinction. In addition to coursework, service hours and leadership experience, an oral presentation to faculty, staff and community members is required to attain this honor upon graduation.

PROFILE ADDENDUM FOR THE CLASS OF 2023

Impacts throughout the past two years

Standardized Testing

The ACT and SAT tests in our area have been repeatedly cancelled over the past two years. We offered an April SAT test in our school to students who desired to participate.

Athletics and Student Activities

Student Activities and Organizations were limited from March 2020 through June 2021. Athletics seasons were adjusted and some of our athletic competitions were able to take place in Spring 2021. Most sports and Student Activities resumed in Fall 2021.

2019-2020

From March 16, 2020 through the end of the semester, we provided:

- Synchronous and asynchronous instruction within an adapted bell schedule;
- Classes in 60-minute blocks on M, Tu, Th, F from 10:00 am to 3:00 pm;
- An expectation that students meet with their teachers and actively participate;
- An open schedule on Wednesdays for study time and student support;
- Letter grades based on student academic performance; although we did not administer final exams.

Because all students have iPads, we were able to move all classes online on March 16th, 2020 without a break in instruction. We are confident in the rigor and quality of instruction during COVID-19. Per the Governor's orders, all athletic competitions were canceled.

In addition to COVID-19, during 2020, Portland-area students experienced prolonged racial equity protests.

2020-2021

In addition to the pandemic, Portland-area students experienced prolonged racial equity protests, and the 2020-2021 school year began amid widespread Oregon wildfires requiring evacuation and creating unhealthy air for over 10 days.

The 2020-2021 academic year, we held classes online from September 2020 through March 2021, in compliance with our Governor's orders. We continued our online approach with some adjustments intended for hybrid learning:

- We added SWIVL classroom technology to improve lecture and lab experiences;
- Class time per block was increased to 75-minutes.
- classes in 60-minute blocks on M, Tu, Th, F from 10:00am to 3:00 pm;
- Wednesday was devoted to club meetings and community, social and academic support time
- The elimination of final exams for semester one courses.

From March of 2021-June 2021

St. Mary's resumed in-person instruction four days a week. Students could choose to remain online or to resume in-person instruction. We continued to devote time on Wednesdays to club meetings, community building, and other co-curricular pursuits.

2021-2022

SMA offered full in person instruction and resumed our five day a week schedule with 75-minute class periods two to three times per week. There is no routine online instruction unless a student affected by COVID (illness or exposure/quarantine) requires online instruction.

In response to the need for student support and socioemotional learning, St. Mary's incorporated flex blocks into our weekly schedule. This allowed students time to engage in community building activities and seek academic support from faculty and staff.

2022-2023

SMA has returned to pre-pandemic academic and co-curricular offerings.
