WANT to MAKE
the WORLD a BETTER
PLACE?
A safe, little place for just one person.
So you stretch and draw your circle even bigger than it’s been.
Let us create bigger circles all around us.
Circles, they bring us together.

So let’s make a circle to brighten our world.

Join hands, show love to each other.

Remember the first circle started with me.
In the circles all around us everywhere that we all go there's a difference we can make and a love we can all show.
