### **FOSTER CARE TRANSPORTATION AGREEMENT**

(Complete **only** if student is living **outside** of the school attendance zone.)

(Fax to Federal Programs Office, attention Mandi Pike at 706-242-4899.)

Troup County School System may provide transportation services to foster families under the Every Student Succeeds Act: Ensuring Educational Stability for Children in Foster Care (2015). Please review the following guidelines before requesting transportation. If you have any questions, please call the Foster Care Liaison, Mandi Pike at 706-812-7900.

- Students must be ready and waiting at the agreed upon pick-up location.
- Transportation may not include door-to-door service. Students may have to wait at a location designated by the school system.
- Route times may change frequently due to additions/deletions of stops as determined by student needs. Please be patient.
- If your student is not going to ride for any reason, you must call the transportation department (706-812-7935) to cancel, and also call your child's school office to let them know. This applies to morning as well as afternoon rides. Failure to notify the system 3 or more times may be considered a forfeit of Foster Care transportation services.
- If your student moves, the transportation department should be notified as soon as possible, and another transportation request form completed, if applicable.
- As the foster care parent, you are responsible for your child prior to boarding the bus in the mornings and upon unloading in the afternoons.
- Students must follow Troup County School System rules. Failure to do so may result in suspension from the bus and/or other disciplinary consequences.

By signing this document, I acknowledge that we have received a copy of the Foster Care Transportation Agreement, as well as a copy of the Troup County Board of Education Guide to Pupil Transportation. I agree to abide by the rules, policies, and procedures set forth in each of the documents.
