Need a referral?

No problem. When needed, your Everside Health & Wellness Center staff can recommend high-quality, in-network specialists, based on cost.

Meet your providers

Fort Wayne Health & Wellness Center

Michael Kubacki, DO

Dr. Kubacki holds a DO from the University of Osteopathic Medicine and Health Sciences in Des Moines, Iowa. He completed his residency at The Methodist Hospitals in Gary and Merrillville, Indiana. Dr. Kubacki likes to treat every patient like a family member.

Tadeja Agee, MD

Dr. Agee, who sees patients on Monday – Thursday, provides a full range of primary care services, including acute care visits for infants 2 months and older. She's originally from Slovenia, and loves helping her patients become the best possible version of themselves.

Susan Schowe, NP

As a nurse practitioner and health coach, Susan has deep experience as a former registered nurse, occupational nurse practitioner, and family nurse practitioner. Her goal is to educate patients on the benefits of a healthy lifestyle to reduce their risk for chronic disease.

Marion Health & Wellness Center

Amber Apple, FNP-BC

In addition to being a board-certified nurse practitioner specializing in family practice, Amber is also an oncology-certified nurse. She believes the best patient care is evidence based, and includes a body-mind-spirit approach that treats the whole patient.

Red Gold Health & Wellness Center

Kenneth Sowinski, MD

Dr. Sowinski began his career in healthcare by receiving a medical degree at the Uniformed Services University. As a physician with extensive experience in family practice, Dr. Sowinski firmly believes in giving every person the opportunity to live their best life.

Kristy Norris, NP

Before becoming a family practice nurse practitioner, Kristy worked as a registered nurse in the ER for 15 years. Her goal is to empower her patients to become active participants in their care plans, and she strives to help them feel confident in making informed choices.

Access for the whole family

Members, spouses, and dependent children can access many Everside Health Centers at no cost.
