Lone Star College-Tomball

Lone Star College-Tomball, the third of the seven Lone Star Colleges, was the result of many years of dedication by community members to bring higher education to the Tomball and Magnolia communities. Residents of the Tomball Independent School District (TISD) voted in 1982 to join Lone Star College and LSC-Tomball opened its doors for students in 1988. Today, LSC-Tomball serves thousands of students via three locations, LSC-Tomball main campus, the LSC-Tomball Health Science Building and LSC-Creekside Center, an LSC-Tomball satellite center located in the Creekside area of The Woodlands.

Our community connection remains strong. The on-campus joint LSC-Tomball Community Library is a partnership with the Harris County Public Library system; our early college high school, Tomball Star Academy, was a natural next step, taken with the TISD, building on our exemplary history offering dual credit classes; and our nationally recognized lifePATH® program shown so brightly that state-legislation was passed allowing for the awarding of associate degrees to its graduating participants.

Exemplary learning opportunities include our Honors College, our internationally recognized Phi Theta Kappa chapter, and our consistently awarded National Model United Nations program. Bolstered by a vibrant Office of Student Life, LSC-Tomball Timberwolves are afforded a full, enriching college experience.
