- Amy Boles, Assistant Superintendent of Educational Services
- Jenay Enna, Director Curriculum and Assessment
- Alicia Wong, ELD IA & DELAC secretary
- Luz Panuco – Administrative Support ESD (not present)

Welcome & Introduction

Julie reviewed the agenda and the future meeting dates.

Julie Silva welcomed all parents and thanked them for representing their schools. Julie presented a video from the Masai tribe in Africa whose traditional greeting to each other is “And how are the children?” After watching the video Julie asked the question for all present at the meeting. “How are the children?” All the people present shared their personal experience.

DELAC Minutes

Julie asked the reps to review the minutes from last month. She went over some of the main points of the minutes. Alicia Wong approved the minutes, Nashely Villalvazo, second.

Single Plan for Student Achievement (SPSA) Plan de rendimiento

The plan outlines how the schools will use the state and federal government funds to improve the students’ academic performance. The plan and decisions are made based on the student data in state and local testing like iReady, SBAC and ELPAC testing. SPSA also describes the instruction strategies and interventions that will happen at the schools. It reflects how the school plan aligns with the LCAP annual goals. You can find it in our District website.

CARE SOLACE

We had two representatives from Care Solace that explained how their service works, Joshua Haeffner and Linda Perdomo. Care Solace is a mental health care coordinator service available for all school students, their families and staff members and their families as well. There is information on the district website or at your school office.

CABE One Day Regional Conference

California association for bilingual education, is holding a one-day conference in Monterey on Tuesday, December 6th. It is a day of professional learning for parents and paraeducators for English and multilingual learners. The district is inviting the parents to attend and the district will pay for the registration. If anyone is interested in attending, please contact Julie Silva ASAP.

School Funds

Some parents had questions regarding district funds for schools for field trips, teacher grants, etc. Julie explained that in the past two years we had Title I funds to help our English Learner students. This year we do not have Title I funds available as in the past couple of years. Each school receives funds from SPSA for specific school expenses. Individual schools may do their own fundraisers for extra school activities or field trips. Parents participate and contribute as they can. All students can participate in all the activities or fieldtrips regardless if they can contribute to the fundraiser events or not.

Adjournment

Meeting adjourned at 6:26pm.

Future DELAC Meetings:

Wednesday, December 7, 2022, 5-6:30, virtual

Wednesday, February 1, 2023, 5-6:30, TBD- virtual or in person

Wednesday, March 8, 2023, 5-6:30, TBD- virtual or in person

Wednesday, April 5, 2023, 5-6:30, TBD- virtual or in person
