

Caregivers of dependents with special needs

You're invited to attend a workshop on:

“How Caregivers Can Secure the Future of Their Dependents with Special Needs.”

Families with children and other dependents with special needs, no matter what the age or disability, face many serious questions about how to best prepare for their dependent's future well-being.

This workshop addresses such critical issues as protecting government benefit eligibility for Supplemental Security Income (SSI), Special Needs Trusts, ABLE Accounts, and the importance of a Will.
